(e) The DIP Facility has been negotiated in good faith and at arm's length among the Debtors, the DIP Agent, the DIP Lenders (including the Backstop Parties (as defined herein)) and the DIP Secured Designated Coal Contract Counterparties, and all of the Debtors' obligations and indebtedness arising under, in respect of, or in connection with the DIP Facility, the DIP Documents and the Javelin Agreements, as incorporated by reference into the DIP Documents, including, without limitation, all loans (including the Roll-Up Loans) made to and guarantees issued by the Debtors pursuant to the DIP Documents and the Javelin Agreements, as incorporated by reference into the DIP Documents, and all other Obligations (as defined in the DIP Credit Agreement) (collectively, the "DIP Obligations") shall be deemed to have been extended by the DIP Agent, the DIP Lenders, and the DIP Secured Designated Coal Contract Counterparties, as applicable, in good faith as that term is used in Bankruptcy Code section 364(e) and in express reliance upon the protections offered by Bankruptcy Code section 364(e). The DIP Obligations, the DIP Liens and the DIP Superpriority Claims shall be entitled to the full protection of Bankruptcy Code section 364(e) in the event that this Final Order or any provision hereof is vacated, reversed, or modified on appeal or otherwise and any liens or claims granted to the DIP

Agent, the DIP Lenders, or the DIP Secured Designated Coal Contract Counterparties hereunder arising prior to the effective date of any such vacatur, reversal or modification of this Final Order shall be governed in all respects by the original provisions of this Final Order, including entitlement to all rights, remedies, privileges and benefits granted herein.

(f) The Roll-Up Loans as provided for under the DIP Facility are appropriate and the DIP Lenders would not be willing to provide the New Money DIP Loans or extend credit to the Debtors thereunder without the inclusion of the Roll-Up Loans within the DIP Facility.

(g) The treatment of the Javelin Agreements as contemplated hereunder and under the DIP Documents was negotiated in good faith and at arm's length, and is fair, reasonable, and appropriate under the circumstances.

(h) The Debtors have requested entry of this Final Order pursuant to Bankruptcy Rules 4001(b)(2) and 4001(c)(2) and the Local Rules. For the reasons set forth in the Motion, the declarations filed in support of the Motion, and the record presented to the Court at the Interim Hearing, absent granting the relief sought by this Final Order, the Debtors' estates will be immediately and irreparably harmed. Consummation of the DIP Facility, granting DIP Secured Designated Coal Contract Counterparty status to Javelin and Uniper under the DIP Credit Agreement, and authorization of the use of the Prepetition Collateral (including the Cash Collateral) in accordance with this Final Order and the DIP Documents are, therefore, in the best interests of the Debtors' estates and are consistent with the Debtors' fiduciary duties.

(i) Pursuant to section 2.8 of the Collateral Trust Agreement, and as set forth in the Restructuring Support Agreement, (x) the Prepetition Second Lien Noteholders have consented or are deemed to have consented to the terms of the DIP Facility and this Final Order, (y) the Prepetition Second Liens and the Second Lien Adequate Protection Liens are subordinate to the

Carve Out, the Permitted Liens, the DIP Liens, the First Lien Adequate Protection Liens (as defined herein) and Prepetition First Liens, and (z) the Prepetition Second Lien Obligations are subject to the Carve Out and the Permitted Liens and the prior payment in full of the DIP Obligations, the First Lien Adequate Protection Obligations and, solely as provided in the Collateral Trust Agreement, the Prepetition First Lien Obligations.

6. *Authorization of the DIP Facility, the DIP Documents and the Javelin Agreements.*

(a) The Debtors are hereby expressly authorized and empowered to execute and deliver and, on such execution and delivery, directed to perform under the DIP Documents, including the DIP Credit Agreement, which is hereby approved and incorporated herein by reference.

(b) Upon entry of this Final Order, the Borrower is hereby authorized to borrow, and the Guarantors are hereby authorized to guaranty, (i) borrowings (A) up to an aggregate principal amount of \$100,000,000.00 in New Money DIP Loans (plus interest, fees, indemnities, and other expenses and other amounts provided for in the DIP Credit Agreement), and (B) an aggregate principal amount of \$75,000,000.00 in Roll-Up Loans (plus interest, fees and other expenses and amounts provided for in the DIP Credit Agreement), with \$1.00 of Prepetition First Lien Debt, in an amount not to exceed \$75,000,000.00 in the aggregate, being rolled-up into the DIP Facility for each \$1.00 of New Money DIP Loans actually funded, including New Money DIP Loans funded into escrow, and (ii) incur the DIP Secured Designated Coal Contract Obligations, subject to and in accordance with this Final Order and the DIP Documents.

(c) Proceeds of the DIP Loans and Cash Collateral shall be used solely for the purposes permitted under the DIP Credit Agreement, the Interim Order and this Final Order and in accordance with the Cash Flow Forecast (as defined below), the DIP Documents, the Interim Order and this Final Order.

(d) In furtherance of the foregoing and without further approval of this Court, each Debtor is authorized, and the automatic stay imposed by Bankruptcy Code section 362 is hereby lifted to the extent necessary and applicable, to perform all acts and to make, execute and deliver all instruments and documents (including, without limitation, the DIP Credit Agreement and any collateral documents contemplated thereby), and to pay all fees, expenses, indemnities, and other amounts contemplated thereby or that may be reasonably required or necessary for the Debtors' performance of their obligations under the DIP Facility including, without limitation:

- (i) the execution, delivery, and performance of the DIP Documents, including, without limitation, the DIP Credit Agreement and any collateral documents contemplated thereby;
- (ii) the execution, delivery and performance of one or more amendments, waivers, consents or other modifications to and under the DIP Documents (in each case in accordance with the terms of the DIP Documents and in such form as the Debtors, the DIP Agent and the Required Lenders (as defined in the DIP Credit Agreement) may agree), it being understood that no further approval of the Court shall be required for any amendments, waivers, consents or other modifications to and under the DIP Documents or the Cash Flow Forecast, except that any modifications or amendments to the DIP Documents that shorten the maturity thereof, or increase the aggregate commitments thereunder or the rate of interest payable with respect thereto, shall be on notice and subject to a hearing and Court approval, as necessary;
- (iii) the non-refundable and irrevocable payment to each of the DIP Lenders or the DIP Agent, as applicable, of the fees referred to in the DIP Documents (which fees, in each case, were and were deemed to have been, approved upon entry of the Interim

Order, and which fees shall not be subject to any challenge, contest, attack, rejection, recoupment, reduction, defense, counterclaim, offset, subordination, recharacterization, avoidance or other claim, cause of action or other challenge of any nature under the Bankruptcy Code, under applicable non-bankruptcy law or otherwise) and any amounts due (or that may become due) in respect of any indemnification obligations under the DIP Documents, including:

- an upfront fee of 3.0% of the aggregate principal amount of New Money DIP Commitments (the “Upfront Fee”), which shall be structured as original issue discount against the New Money DIP Loans when advanced;
- an exit premium of 1.0% of the aggregate principal amount of the New Money DIP Commitments (the “Exit Premium”), payable in the form of equity in reorganized FELP upon the Plan Effective Date (as defined in the DIP Credit Agreement) pursuant to the terms and conditions set forth in the DIP Credit Agreement and the Restructuring Support Agreement; provided, however, that upon the occurrence of an Event of Default under the DIP Credit Agreement or upon repayment of the DIP Loans in full and termination of all New Money DIP Commitments without the occurrence of the Plan Effective Date, the Exit Premium shall be immediately payable in cash in an amount equal to \$2,000,000.00;
- a put option premium of 5.0% of the aggregate principal amount of the New Money DIP Commitments of the Backstop Parties (as defined herein) (the “Put Option Premium”), payable in the form of equity in the reorganized FELP upon the Plan Effective Date pursuant to the terms and conditions set forth in the DIP Credit Agreement, the Restructuring Support Agreement and related backstop commitment arrangements; provided, however, that upon the occurrence of an Event of Default under the DIP Credit Agreement or upon repayment of the DIP Loans in full and termination of all New Money DIP Commitments without the occurrence of the Plan Effective Date, the Put Option Premium shall be immediately payable in cash in an amount equal to \$10,000,000.00;
- a commitment fee on each DIP Lender’s commitment to fund the Delayed Draw DIP Term Loans (the “Delayed Draw Term Loan Commitment Fee”) at a rate per annum equal to 1.00%, payable pursuant to the terms and conditions set forth in the DIP Credit Agreement; and

- all reasonable costs and expenses as may become due from time to time under the DIP Documents, the Restructuring Support Agreement, the Interim Order and this Final Order, including, without limitation, fees and expenses of counsel, financial advisors and other professionals retained by the DIP Agent and the DIP Lenders as provided for in the DIP Documents, the Interim Order and this Final Order, subject to the provisions of paragraph 28 hereof;
- (iv) make the payments on account of the First Lien Adequate Protection Obligations provided for in the Interim Order and this Final Order; and
- (v) the performance of all other acts required under or in connection with the DIP Documents.
- (e) Upon execution and delivery of the DIP Credit Agreement and the other DIP Documents, such DIP Documents shall constitute valid, binding, and non-avoidable obligations of the Debtors enforceable against each Debtor party thereto in accordance with their respective terms and the terms of the Interim Order and this Final Order for all purposes during the Cases, any subsequently converted Case of any Debtor to a case under chapter 7 of the Bankruptcy Code, or after the dismissal of any Case. No obligation, payment, transfer, or grant of security under the DIP Credit Agreement, the other DIP Documents, the Interim Order or this Final Order shall be stayed, restrained, voidable, avoidable or recoverable under the Bankruptcy Code or under any applicable law (including without limitation, under Bankruptcy Code sections 502(d), 548 or 549 or under any applicable state Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act, Uniform Voidable Transaction Act or similar statute or common law), or subject to any defense, reduction, setoff, recoupment or counterclaim.
- (f) The Guarantors hereby are authorized and directed to jointly, severally and unconditionally guarantee in full all of the DIP Obligations of the Borrower and to incur any DIP Obligations and DIP Liens in connection therewith.

(g) Subject to final approval of the Coal Sales Motion, including the Javelin Agreements as contemplated therein, (i) the Debtors are authorized to designate Javelin and Uniper as DIP Secured Designated Coal Contract Counterparties under the DIP Documents and to perform their obligations under the Javelin Agreements as contemplated herein and therein; and (ii) the Debtors, on the one hand, and Javelin and Uniper, on the other, are authorized to setoff post-petition amounts owing to the other from time to time to the extent permitted by the Javelin Agreements; provided that none of the Javelin Agreements are being assumed hereunder.

Without giving effect to the making of DIP Loans or the repayments or prepayments of DIP Loans, in no event shall (a) beginning with the delivery of the initial Budget Variance Report and tested, as of the last day of each applicable two-week period commencing with the last day of the first two-week period ending after the Closing Date, for such two-week period (i) the negative variance (as compared to the applicable Cash Flow Forecast) of the actual aggregate operating cash receipts of the Debtors exceed 15% and (ii) the positive variance (as compared to the applicable Cash Flow Forecast) of the aggregate operating disbursements (excluding professional fees, interest payments and disbursements made by the Debtors set forth under “MEC Affiliate Disbursements” in the Cash Flow Forecast (including, without limitation, any payments pursuant to the Management Services Agreement)) made by the Debtors shall exceed 15%, and (iii) the positive variance (as compared to the applicable Cash Flow Forecast) of the aggregate disbursements made by the Debtors set forth under “MEC Affiliate Disbursements” in the Cash Flow Forecast (including, without limitation, any payments pursuant to the Management Services Agreement)) exceed 15%, and (b) beginning with the delivery of the third Budget Variance Report, as of the last day of each applicable

9. *Reporting Requirements/Access to Records.* The Debtors shall provide the DIP Lenders, the Ad Hoc First Lien Advisors, the Ad Hoc Crossover Advisors, and the Committee Advisors with all reporting and other information required to be provided to the DIP Agent under the DIP Documents. In addition to, and without limiting, whatever rights to access the DIP Agent and the DIP Parties have under the DIP Documents, upon reasonable notice, at reasonable times during normal business hours, the Debtors shall permit representatives, agents, and employees of the DIP Agent and the DIP Lenders to: (i) have access to and inspect the Debtors’ assets; (ii) examine the Debtors’ books and records; and (iii) discuss the Debtors’ affairs, finances, and condition with the Debtors’ officers and financial advisors.

10. *DIP Superpriority Claims.* Pursuant to Bankruptcy Code section 364(c)(1), all of the DIP Obligations shall constitute allowed senior administrative expense claims of the DIP Agent, the DIP Lenders, and the DIP Secured Designated Coal Contract Counterparties, as applicable, against each of the Debtors’ estates (the “DIP Superpriority Claims”), without the need to file any proof of claim or request for payment of administrative expenses, with priority over any

and all administrative expenses, adequate protection claims, diminution claims and all other claims against the Debtors, now existing or hereafter arising, of any kind whatsoever, including, without limitation, all administrative expenses of the kind specified in Bankruptcy Code sections 503(b) and 507(b), and over any and all administrative expenses or other claims arising under Bankruptcy Code sections 105, 326, 328, 330, 331, 503(b), 506(c), 507(a), 507(b), 726, 1113, or 1114 or otherwise, whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy or attachment, which allowed claims shall for the purposes of Bankruptcy Code section 1129(a)(9)(A) be considered administrative expenses allowed under Bankruptcy Code section 503(b) and which shall be payable from and have recourse to all prepetition and postpetition property of the Debtors and all proceeds thereof, including the proceeds of any claims or causes of action arising under chapter 5 of the Bankruptcy Code (the “Avoidance Actions”), subject only to the payment of the Carve Out to the extent specifically provided for herein. Except as set forth in, or permitted by, this Final Order, no other superpriority claims shall be granted or allowed in these Cases.

11. *DIP Liens.* As security for the DIP Obligations, effective and automatically perfected upon the date of the Interim Order, and without the necessity of the execution, recordation of filings by the Debtors of mortgages, security agreements, control agreements, pledge agreements, financing statements or other similar documents, or the possession or control by the DIP Agent or any other DIP Party of, or over, any DIP Collateral (as defined herein), the following security interests and liens are hereby granted by the Debtors to the DIP Agent, for the benefit of the DIP Agent and the other DIP Parties (all property identified in clauses (a), (b) and (c) below being collectively referred to as the “DIP Collateral”), subject only to the payment of the Carve Out to the extent specifically provided for herein and the Permitted Liens (if any) (all

such liens and security interests granted to the DIP Agent, for the benefit of the DIP Agent and the other DIP Parties, pursuant to the Interim Order, this Final Order and the DIP Documents, the “DIP Liens”):

(a) First Lien on Unencumbered Property. Pursuant to Bankruptcy Code section 364(c)(2), a valid, binding, continuing, enforceable, fully-perfected first priority senior security interest in and lien upon all prepetition and postpetition property of the Debtors, whether existing on the Petition Date or thereafter acquired, that, on or as of the Petition Date is not subject to valid, perfected and non-avoidable liens (or perfected after the Petition Date to the extent permitted by Bankruptcy Code section 546(b)), including, without limitation, any unencumbered cash of the Debtors (whether maintained with the DIP Agent or otherwise) and any investment of such cash, accounts, inventory, goods, contract rights, mineral rights, instruments, documents, chattel paper, patents, trademarks, copyrights, and licenses therefor, accounts receivable, receivables and receivables records, general intangibles, payment intangibles, tax or other refunds, insurance proceeds, letters of credit, intercompany claims, contracts, owned real estate, real property leaseholds, fixtures, deposit accounts, commercial tort claims, securities accounts, instruments, investment property, letter-of-credit rights, supporting obligations, vehicles, machinery and equipment, real property, leases (and proceeds from the disposition thereof), all of the issued and outstanding capital stock of each Debtor, other equity or ownership interests, including equity interests in subsidiaries and non-wholly-owned subsidiaries, money, investment property, causes of action (including the proceeds of Avoidance Actions), and all cash and non-cash proceeds, rents, products, substitutions, accessions, profits and supporting obligations of any of the collateral described above, whether in existence on the Petition Date or thereafter created, acquired, or arising and wherever located.

(b) Liens Priming the Prepetition Liens. Pursuant to Bankruptcy Code section 364(d)(1), a valid, binding, continuing, enforceable, fully-perfected first priority senior priming security interest in and lien upon all prepetition and postpetition property of the Debtors including, without limitation, the Prepetition Collateral, Cash Collateral, and any investment of such cash, accounts, inventory, goods, contract rights, mineral rights, instruments, documents, chattel paper, patents, trademarks, copyrights, and licenses therefor, accounts receivable, receivables and receivables records, general intangibles, payment intangibles, tax or other refunds, insurance proceeds, letters of credit, intercompany claims, contracts, owned real estate, real property leaseholds, fixtures, deposit accounts, commercial tort claims, securities accounts, instruments, investment property, letter-of-credit rights, supporting obligations, vehicles, machinery and equipment, real property, leases (and proceeds from the disposition thereof), all of the issued and outstanding capital stock of each Debtor, other equity or ownership interests, including equity interests in subsidiaries and non-wholly-owned subsidiaries, money, investment property, causes of action, and all cash and non-cash proceeds, rents, products, substitutions, accessions, profits and supporting obligations of any of the collateral described above, whether in existence on the Petition Date or thereafter created, acquired, or arising and wherever located, that is subject to any of the Prepetition Liens securing the Prepetition Secured Obligations.

(c) Liens Junior to Certain Other Liens. Pursuant to Bankruptcy Code section 364(c)(3), a valid, binding, continuing, enforceable, fully-perfected security interest in and lien upon all prepetition and postpetition property of the Debtors (other than the property described in clauses (a) or (b) of this paragraph 11, as to which the liens and security interests in favor of the DIP Agent will be as described in such clauses), whether now existing or hereafter acquired, that is subject to valid, perfected and unavoidable liens in existence immediately prior to the Petition

Date, if any, that are senior to the liens securing the Prepetition First Lien Obligations, or to valid and unavoidable liens in existence immediately prior to the Petition Date, if any, that are perfected subsequent to the Petition Date as permitted by Bankruptcy Code section 546(b) that are senior to the liens securing the Prepetition First Lien Obligations, which security interests and liens in favor of the DIP Agent and the other DIP Parties are junior only to such valid, perfected and unavoidable liens (collectively, the “Permitted Liens”).⁷

(d) Javelin. For the avoidance of doubt, the DIP Liens granted hereunder shall also secure on a *pari passu* basis the DIP Secured Designated Coal Contract Obligations, and the DIP Obligations shall include the DIP Secured Designated Coal Contract Obligations for purposes of this Final Order.

12. *Carve Out*.

(a) Carve Out. As used in this Final Order, the “Carve Out” means the sum of (i) all fees required to be paid to the Clerk of the Court and to the Office of the U.S. Trustee under section 1930(a) of title 28 of the United States Code plus interest at the statutory rate (without regard to the notice set forth in (iii) below); (ii) all reasonable fees and expenses up to \$25,000.00 incurred by a trustee under Bankruptcy Code section 726(b) (without regard to the notice set forth in (iii) below); (iii) to the extent allowed, whether by interim order, procedural order, or otherwise, all unpaid fees and expenses (the “Allowed Professional Fees”) incurred by persons or firms retained by the Debtors pursuant to section 327, 328, or 363 of the Bankruptcy Code (the “Debtor Professionals”) and, subject to the Committee Monthly Cap, an official committee of unsecured creditors (the “Creditors’ Committee”) pursuant to Bankruptcy Code section 328 or 1103

⁷ For the avoidance of doubt, “Permitted Liens” shall also include liens securing all pre and postpetition Cash Management Obligations (as defined in the DIP Credit Agreement) of the Debtors.

(the “Committee Professionals” and, together with the Debtor Professionals, the “Professional Persons”) at any time before or on the first business day following delivery by the DIP Agent or the Required Lenders of a Carve Out Trigger Notice (as defined herein), whether allowed by the Court prior to or after delivery of a Carve Out Trigger Notice; and (iv) Allowed Professional Fees of Professional Persons, in an aggregate amount not to exceed \$3,500,000.00, incurred after the first business day following delivery by the DIP Agent or the Required Lenders of the Carve Out Trigger Notice, to the extent allowed, whether by interim order, procedural order, or otherwise (the amounts set forth in this clause (iv) being the “Post-Carve Out Trigger Notice Cap”). For purposes of the foregoing, “Carve Out Trigger Notice” shall mean a written notice delivered by email (or other electronic means) by the DIP Agent or the Required Lenders to the Debtors, their lead restructuring counsel, the U.S. Trustee, and lead counsel to the Creditors’ Committee providing that a Termination Event (as defined herein) has occurred and stating that the Post-Carve Out Trigger Notice Cap has been invoked.

(b) Carve Out Reserves. On the day on which a Carve Out Trigger Notice is delivered (the “Termination Declaration Date”), the Carve Out Trigger Notice shall constitute a demand to the Debtors to utilize all cash on hand as of such date and any available cash thereafter held by any Debtor to fund a reserve in an amount equal to the then unpaid amounts of (i) the Allowed Professional Fees of Debtor Professionals, (ii) subject to the Committee Monthly Cap, the Allowed Professionals Fees of the Committee Professionals, and (iii) the obligations accrued as of the Termination Declaration Date with respect to clauses (i) and (ii) of the definition of Carve Out set forth in paragraph 12(a) above (the “Additional Carve Out Obligations”). The Debtors shall deposit and hold such amounts in a segregated account in a manner reasonably acceptable to the Required Lenders in trust to pay such then unpaid Allowed Professional Fees and Additional Carve

Out Obligations (the “Pre-Carve Out Trigger Notice Reserve”) prior to the use of such reserve to pay any other claims. On the Termination Declaration Date, after funding the Pre-Carve Out Trigger Notice Reserve, the Debtors shall utilize all remaining cash on hand as of such date and any available cash thereafter held by any Debtor to fund a reserve in an amount equal to the Post-Carve Out Trigger Notice Cap (the “Post-Carve Out Trigger Notice Reserve” and, together with the Pre-Carve Out Trigger Notice Reserve, the “Carve Out Reserves”) prior to the use of such reserve to pay any other claims. All funds in the Pre-Carve Out Trigger Notice Reserve shall be used first to pay the Additional Carve Out Obligations (the “Pre-Carve Out Amounts”), but not, for the avoidance of doubt, the Post-Carve Out Trigger Notice Cap, until paid in full, and then, to the extent the Pre-Carve Out Trigger Notice Reserve has not been reduced to zero, to pay any post-Termination Declaration Date obligations under clauses (i) and (ii) of the Carve Out definition in paragraph 12(a) above and then to pay the DIP Agent for the benefit of itself and the other DIP Parties, unless the DIP Obligations have been indefeasibly paid in full, in cash, and all commitments under the DIP Facility have been terminated, in which case any such excess shall be paid to the Prepetition Secured Parties in accordance with their rights and priorities as provided in the Prepetition Credit Documents, the Collateral Trust Agreement, and this Final Order. All funds in the Post-Carve Out Trigger Notice Reserve shall be used first to pay the obligations set forth in clause (iv) of the definition of Carve Out set forth above (the “Post-Carve Out Amounts”), and then, to the extent the Post-Carve Out Trigger Notice Reserve has not been reduced to zero, to pay any post-Termination Declaration Date obligations under clauses (i) and (ii) of the Carve Out definition in paragraph 12(a) above and then to pay the DIP Agent for the benefit of itself and the other DIP Parties, unless the DIP Obligations have been indefeasibly paid in full, in cash, and all commitments under the DIP Facility have been terminated, in which case any such excess shall be

paid to the Prepetition Secured Parties in accordance with their rights and priorities as provided in the Prepetition Credit Documents, the Collateral Trust Agreement, and this Final Order. Notwithstanding anything to the contrary in the DIP Documents, or this Final Order, if either of the Carve Out Reserves is not funded in full in the amounts set forth in this paragraph 12, then, any excess funds in one of the Carve Out Reserves following the payment of the Pre-Carve Out Amounts and Post-Carve Out Amounts, respectively, shall be used to fund the other Carve Out Reserve, up to the applicable amount set forth in this paragraph 12, prior to making any payments to the DIP Agent or the Prepetition Secured Parties, as applicable. Notwithstanding anything to the contrary in the DIP Documents or this Final Order, following delivery of a Carve Out Trigger Notice, the DIP Agent and the Prepetition First Lien Agents shall not sweep or foreclose on cash (including cash received as a result of the sale or other disposition of any assets) of the Debtors until the Carve Out Reserves have been fully funded, but shall have a valid and perfected security interest in any residual interest in the Carve Out Reserves, with any excess paid to the DIP Agent for application in accordance with the DIP Documents and this Final Order. Further, notwithstanding anything to the contrary in this Final Order, (i) disbursements by the Debtors from the Carve Out Reserves shall not increase or reduce the DIP Obligations, or constitute additional DIP Loans (unless, for the avoidance of doubt, additional DIP Loans are used to fund the Carve Out Reserves), (ii) the failure of the Carve Out Reserves to satisfy in full the Allowed Professional Fees shall not affect the priority of the Carve Out, and (iii) in no way shall the Cash Flow Forecast, Carve Out, Post-Carve Out Trigger Notice Cap or the Carve Out Reserves, or any of the foregoing, be construed as a cap or limitation on the amount of the Allowed Professional Fees due and payable by the Debtors to the Debtors' Professionals. For the avoidance of doubt and notwithstanding anything to the contrary in this Final Order, the DIP Facility or in

any Prepetition Credit Document, the Carve Out shall be senior to all liens and claims securing the DIP Facility, the First Lien Adequate Protection Liens, the Second Lien Adequate Protection Liens, the First Lien Adequate Protection Superpriority Claim, the Second Lien Adequate Protection Superpriority Claim, the Prepetition Liens, the Prepetition Secured Obligations and any and all other forms of adequate protection, liens, or claims securing the DIP Obligations or the Prepetition Secured Obligations.

(c) Payment of Allowed Professional Fees Prior to the Termination Declaration Date. Any payment or reimbursement made prior to the occurrence of the Termination Declaration Date in respect of any Allowed Professional Fees shall not reduce the Carve Out.

(d) No Direct Obligation To Pay Allowed Professional Fees. None of the DIP Agent, DIP Lenders, the DIP Secured Designated Coal Contract Counterparties, or the Prepetition Secured Parties shall be responsible for the payment or reimbursement of any fees or disbursements of any Professional Person incurred in connection with the Cases or any successor cases under any chapter of the Bankruptcy Code. Nothing in this Final Order or otherwise shall be construed to obligate the DIP Agent, the DIP Lenders, the DIP Secured Designated Coal Contract Counterparties, or the Prepetition Secured Parties, in any way, to pay compensation to, or to reimburse expenses of, any Professional Person or to guarantee that the Debtors have sufficient funds to pay such compensation or reimbursement.

(e) Payment of Carve Out On or After the Termination Declaration Date. Any payment or reimbursement made on or after the occurrence of the Termination Declaration Date in respect of any Allowed Professional Fees shall permanently reduce the Carve Out on a dollar-for-dollar basis. Any funding of the Carve Out under the DIP Facility shall be added to, and made a part of, the DIP Obligations secured by the DIP Collateral and shall be otherwise entitled to the

protections granted under this Final Order, the DIP Documents, the Bankruptcy Code, and applicable law.

13. *Limitation on Charging Expenses Against Collateral.* Effective as of the Petition Date, in light of the agreement of the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties to allow (x) the Debtors to use Cash Collateral as provided for herein, (y) the Carve Out, and (z) for the subordination of the Prepetition Liens to the DIP Liens, no expenses of administration of the Cases or any future proceeding that may result therefrom, including liquidation in bankruptcy or other proceedings under the Bankruptcy Code, shall be charged against or recovered from the Prepetition Collateral or the DIP Collateral (except to the extent of the Carve Out), the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties pursuant to Bankruptcy Code sections 105(a) or 506(c) or any similar principle of law or equity, without the prior written consent of the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties, as applicable, and no such consent shall be implied from any other action, inaction, or acquiescence by the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties. Notwithstanding the foregoing, nothing contained in this paragraph shall affect or otherwise impact the charging lien available to the Prepetition First Lien Agents with respect to the Prepetition Collateral or any additional collateral subject to First Lien Adequate Protection Liens (as defined below) or funds or other property otherwise subject to distribution to recover payment of any unpaid fees, expenses or other amounts to which it is entitled under the Prepetition First Lien Credit Documents or the Collateral Trust Agreement, subject to the priority of the DIP Liens and DIP Claims in accordance with this Order.

14. *No Marshaling/Application of Proceeds.* Effective as of the Petition Date, the DIP Agent and the Prepetition Agents shall be entitled to apply the payments or proceeds of the DIP

Collateral and the Prepetition Collateral in accordance with the provisions of the Interim Order or this Final Order, as applicable, the DIP Documents and the Prepetition Credit Documents, as applicable, and in no event shall the DIP Agent, the DIP Lenders, or any of the Prepetition Secured Parties be subject to the equitable doctrine of “marshaling” or any other similar doctrine with respect to any of the DIP Collateral or Prepetition Collateral; provided that the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties, as applicable, shall first look to, and apply the proceeds of, all other DIP Collateral and Prepetition Collateral in satisfaction of the applicable obligations before resorting to the proceeds of Avoidance Actions.

15. *Equities of the Case.* Effective as of the Petition Date, in light of the agreement of the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties to allow the Debtors to use Cash Collateral on the terms set forth herein, among other things, (i) the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties shall be entitled to all of the rights and benefits of Bankruptcy Code section 552(b) and (ii) the “equities of the case” exception under Bankruptcy Code section 552(b) shall not apply to such parties with respect to the proceeds, products, offspring or profits of any of the Prepetition Collateral or the DIP Collateral, as applicable.

16. *Use of Cash Collateral.* The Debtors were authorized under the Interim Order and are hereby authorized to use all Cash Collateral solely in accordance with this Final Order, the DIP Documents and the Cash Flow Forecast, including, without limitation, to make payments on account of the Adequate Protection Obligations and other obligations provided for in the Interim Order, this Final Order and the DIP Documents. Except on the terms and conditions of this Final Order, the Debtors shall be enjoined and prohibited from at any time using the Cash Collateral.

17. *Adequate Protection for the Prepetition First Lien Parties.* Subject only to the Carve Out and the terms of this Final Order, pursuant to Bankruptcy Code sections 361, 363(e),

and 364, and in consideration of the stipulations and consents set forth in the Interim Order and this Final Order, as adequate protection of their interests in the Prepetition Collateral (including Cash Collateral), for and equal in amount to the aggregate postpetition diminution in value of such interests (each such diminution, a “Diminution in Value”), resulting from the imposition of the priming DIP Liens on the Prepetition Collateral, the Carve Out, the sale, lease or use of the Prepetition Collateral (including Cash Collateral), the imposition of the automatic stay, and/or any other reason for which adequate protection may be granted under the Bankruptcy Code, the Prepetition First Lien Agents, for the benefit of themselves and the Prepetition First Lien Lenders, are hereby granted the following (collectively, the “First Lien Adequate Protection Obligations”):

(a) First Lien Adequate Protection Liens. As security for and solely to the extent of any Diminution in Value, additional and replacement valid, binding, enforceable non-avoidable, and effective and automatically perfected postpetition security interests in, and liens on, as of the date of the Interim Order (the “First Lien Adequate Protection Liens”), without the necessity of the execution by the Debtors (or recordation or other filing) of security agreements, control agreements, pledge agreements, financing statements, mortgages, or other similar documents, all DIP Collateral. Subject to the terms of this Final Order, the First Lien Adequate Protection Liens shall be subordinate only to (A) the Carve Out, (B) the DIP Liens and (C) the Permitted Liens (if any). The First Lien Adequate Protection Liens shall otherwise be senior to all other security interests in, liens on, or claims against any of the DIP Collateral (including, for the avoidance of doubt, the Prepetition Liens, the Second Lien Adequate Protection Liens and any lien or security interest that is avoided and preserved for the benefit of the Debtors and their estates under Bankruptcy Code section 551).

(b) First Lien Adequate Protection Superpriority Claim. As further adequate protection, and to the extent provided by Bankruptcy Code sections 503(b) and 507(b), an allowed administrative expense claim in the Cases to the extent of any postpetition Diminution in Value ahead of and senior to any and all other administrative expense claims in such Cases, except the Carve Out and the DIP Superpriority Claims (the “First Lien Adequate Protection Superpriority Claim”). The First Lien Adequate Protection Superpriority Claim shall be payable from and have recourse to all prepetition and postpetition property of the Debtors and all proceeds thereof (excluding Avoidance Actions, but including the Avoidance Proceeds). Subject to the Carve Out and the DIP Superpriority Claims in all respects, the First Lien Adequate Protection Superpriority Claim will not be junior to any claims and shall have priority over all administrative expense claims against each of the Debtors, now existing or hereafter arising, of any kind or nature whatsoever, including, without limitation, administrative expense claims of the kinds specified in or ordered pursuant to Bankruptcy Code sections 105, 326, 328, 330, 331, 365, 503(a), 503(b), 506(c), 507(a), 507(b), 546(d), 726, 1113 and 1114. The Prepetition First Lien Parties shall not receive or retain any payments, property or other amounts in respect of the First Lien Adequate Protection Superpriority Claims under Bankruptcy Code section 507(b) granted hereunder unless and until the DIP Obligations have been indefeasibly paid in full, in cash, or satisfied in a manner otherwise agreed to by the Required Lenders, in each case as provided in the DIP Documents.

(c) Fees and Expenses. As further adequate protection, the Debtors are authorized and directed to pay, without further Court order, reasonable and documented fees and expenses (the “First Lien Adequate Protection Fees”), whether incurred before or after the Petition Date, of the Prepetition First Lien Agents, and the Ad Hoc First Lien Group (as defined below), and the Ad Hoc Crossover Group (as defined below), including, without limitation, the reasonable and

documented fees and expenses of (a) Sullivan & Worcester LLP, counsel to the Prepetition First Lien Term Loan Agent and the Prepetition Collateral Trustee, (b) Buchanan Ingersoll & Rooney PC, counsel to the Prepetition First Lien Administrative Agent, together with one local counsel to the Prepetition First Lien Agents, (c) in accordance with its engagement letter, Conway McKenzie, Inc., as financial advisor to the Prepetition First Lien Administrative Agent, (d) one local counsel, Thompson Coburn LLP, and one lead counsel, Akin Gump, as counsel to the ad hoc group of certain Prepetition First Lien Lenders (the “Ad Hoc First Lien Group”), (e) in accordance with its engagement letter, one financial advisor, Lazard, as financial advisors to Ad Hoc First Lien Group, (f) one local counsel, Bryan Cave Leighton Paisner LLP, and one lead counsel, Milbank LLP, as counsel to the ad hoc group of certain Prepetition First Lien Lenders and Prepetition Second Lien Noteholders (the “Ad Hoc Crossover Group”), and (g) in accordance with its engagement letter, one financial advisor, Perella Weinberg Partners LP, as financial advisor Ad Hoc Crossover Group. The invoices for such fees and expenses shall not be required to comply with any particular format, may be in summary form only, and may include redactions. The applicable professional shall serve copies of the invoices supporting the First Lien Adequate Protection Fees on counsel to the Debtors, the U.S. Trustee and counsel to the Creditors’ Committee (if any), and any First Lien Adequate Protection Fees shall be subject to prior ten day review by the Debtors, the U.S. Trustee and the Creditors’ Committee (if any), and in the event the Debtors, the U.S. Trustee or the Creditors’ Committee shall file with this Court an objection to any such legal invoice, the portion of such legal invoice subject to such objection shall not be paid until resolution of such objection by this Court. If no objection is filed within such ten day review period, such invoice shall be paid without further order of the Court within five days following the expiration of the foregoing review period and shall not be subject to any further review, challenge, or disgorgement.

For the avoidance doubt, the provision of such invoices shall not constitute a waiver of attorney-client privilege or any benefits of the attorney work product doctrine.

(d) First Lien Accrued Adequate Protection Payments. As further adequate protection, the Prepetition First Lien Agents, on behalf of the Prepetition First Lien Lenders, shall receive monthly adequate protection payments (the “First Lien Accrued Adequate Protection Payments”), payable in-kind on the thirtieth day of each month equal to the interest at the Applicable Rate (as defined in the Prepetition First Lien Credit Agreement) that would otherwise be owed to the Prepetition First Lien Lenders under the Prepetition First Lien Credit Agreement during such monthly period in respect of the Prepetition First Lien Obligations that are not Roll-Up Loans, until such time as the full Prepetition First Lien Obligations Amount is paid in full, in cash.

(e) Information Rights. The Debtors shall promptly provide the Prepetition First Lien Agents and the Ad Hoc First Lien Advisors, and the Committee Advisors, respectively, as well as the Ad Hoc Crossover Advisors, with all required financial reporting and other periodic reporting that is required to be provided to the DIP Agent the DIP Lenders, or the DIP Secured Designated Coal Contract Counterparties, as applicable, under the DIP Documents.

18. *Adequate Protection for the Prepetition Second Lien Noteholders.* Subject only to the Carve Out, the Permitted Liens, the DIP Liens, the Prepetition First Liens, the First Lien Adequate Protection Liens, and the terms of this Final Order, pursuant to Bankruptcy Code sections 361, 363(e) and 364, and in consideration of the stipulations and consents set forth in the Interim Order and this Final Order, as adequate protection of their interests in the Prepetition Collateral (including Cash Collateral), for and equal in amount to the aggregate postpetition Diminution in Value of such interests, resulting from the imposition of the priming DIP Liens on the Prepetition Collateral, the Carve Out, the sale, lease or use of the Prepetition Collateral

(including Cash Collateral), the imposition of the automatic stay and/or any other reason for which adequate protection may be granted under the Bankruptcy Code, the Prepetition Second Lien Noteholders are hereby granted the following (collectively, the “Second Lien Adequate Protection Obligations” and, together with the First Lien Adequate Protection Obligations, the “Adequate Protection Obligations”):

(a) Second Lien Adequate Protection Liens. As security for and solely to the extent of any Diminution in Value, additional and replacement valid, binding, enforceable non-avoidable, and effective and automatically perfected postpetition security interests in, and liens on, as of the date of the Interim Order (the “Second Lien Adequate Protection Liens” and, together with the First Lien Adequate Protection Liens, the “Adequate Protection Liens”), without the necessity of the execution by the Debtors (or recordation or other filing) of security agreements, control agreements, pledge agreements, financing statements, mortgages, or other similar documents, all DIP Collateral. Subject to the terms of this Final Order, the Second Lien Adequate Protection Liens shall be subordinate only to (A) the Carve Out, (B) the DIP Liens, (C) the First Lien Adequate Protection Liens, (D) the Prepetition First Liens, and (E) the Permitted Liens (if any). The Second Lien Adequate Protection Liens shall otherwise be senior to all other security interests in, liens on, or claims against any of the DIP Collateral.

(b) Second Lien Adequate Protection Superpriority Claim. As further adequate protection, and to the extent provided by Bankruptcy Code sections 503(b) and 507(b), an allowed administrative expense claim in the Cases ahead of and senior to any and all other administrative expense claims in such Cases to the extent of any postpetition Diminution in Value (the “Second Lien Adequate Protection Superpriority Claim” and, together with the First Lien Adequate Protection Superpriority Claim, the “Adequate Protection Superpriority Claims”), except the

Carve Out, the DIP Superpriority Claims and the First Lien Adequate Protection Superpriority Claim. Subject to the Carve Out, the DIP Superpriority Claims, the First Lien Adequate Protection Superpriority Claims, and the Prepetition First Lien Obligations in all respects, the Second Lien Adequate Protection Superpriority Claim will not be junior to any other claims and shall have priority over all administrative expense claims against each of the Debtors, now existing or hereafter arising, of any kind or nature whatsoever, including, without limitation, administrative expense claims of the kinds specified in or ordered pursuant to Bankruptcy Code sections 105, 326, 328, 330, 331, 365, 503(a), 503(b), 506(c), 507(a), 507(b), 546(d), 726, 1113 and 1114. The Prepetition Second Lien Noteholders shall not receive or retain any payments, property or other amounts in respect of the Second Lien Adequate Protection Superpriority Claim under Bankruptcy Code section 507(b) granted hereunder unless and until the DIP Obligations, the Prepetition First Lien Obligations and the First Lien Adequate Protection Obligations have been indefeasibly paid in full, in cash, in each case as provided in the DIP Documents.

19. *Section 507(b) Reservation.* Subject in all respects to the terms of the Collateral Trust Agreement, nothing herein shall impair or modify the application of Bankruptcy Code section 507(b) in the event that the adequate protection provided to the Prepetition Secured Parties is insufficient to compensate for any Diminution in Value of their interests in the Prepetition Collateral during the Cases. Nothing contained herein shall be deemed a finding by the Court, or an acknowledgment by any of the Prepetition Secured Parties that the adequate protection granted herein does in fact adequately protect any of the Prepetition Secured Parties against any diminution in value of their respective interests in the Prepetition Collateral (including the Cash Collateral).

20. *Restrictions on Disposition of Material Assets Outside the Ordinary Course of Business.* Except as expressly permitted under the “first day” pleadings or the DIP Documents,

the Debtors shall not use, sell or lease any material assets outside the ordinary course of business, or seek authority of this Court to the extent required by Bankruptcy Code section 363, without obtaining the prior written consent of the Required Lenders at least five days (or such shorter period as the DIP Agent, at the direction of the Required Lenders, may agree) prior to the date on which the Debtors seek the Court's authority for such use, sale, or lease. Except as otherwise provided under the DIP Documents, subject to the Carve Out and Permitted Liens, in the event of any such sale, lease, transfer, license, or other disposition of property of the Debtors that constitutes DIP Collateral outside the ordinary course of business (to the extent permitted by the DIP Documents and this Final Order), the Debtors are authorized and shall promptly pay, without further notice or order of this Court, the DIP Agent, for the benefit of the DIP Parties, 100% of the net cash proceeds resulting therefrom no later than the second business day following receipt of such proceeds. Upon payment in full of the DIP Obligations, subject to the Carve Out and Permitted Liens, the Debtors are authorized and shall promptly pay, without further notice or order of this Court, the Prepetition First Lien Agents, for the benefit of the Prepetition First Lien Lenders, 100% of the net cash proceeds resulting from any such sale, lease, transfer, license, or other disposition of property of the Debtors that constitutes DIP Collateral outside the ordinary course of business (to the extent permitted by the DIP Documents and this Final Order) no later than the second business day following receipt of such proceeds. Except as otherwise provided under the DIP Documents, subject to the Carve Out and Permitted Liens, in the event of any casualty, condemnation, or similar event with respect to property that constitutes DIP Collateral, the Debtors are authorized and shall promptly pay to the DIP Agent, for the benefit of the DIP Parties, any insurance proceeds, condemnation award, or similar payment (excluding any amounts on account of any D&O policies) no later than the second business day following receipt of payment by the

Debtors, unless the Required Lenders consent, each in its sole discretion, in writing, to the funds being reinvested by the Debtors.

21. *Insurance.* At all times the Debtors shall maintain casualty and loss insurance coverage for the Prepetition Collateral and the DIP Collateral on substantially the same basis as maintained prior to the Petition Date. Upon entry of the Interim Order, the DIP Agent was, and was deemed to be, without any further action or notice, named as additional insured and lender's loss payee on each insurance policy maintained by the Debtors which in any way relates to the DIP Collateral.

22. *Reservation of Rights of the DIP Agent, DIP Lenders, DIP Secured Designated Coal Contract Counterparties and Prepetition Secured Parties.* Notwithstanding any other provision in this Final Order to the contrary, the entry of this Final Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly, or otherwise impair: (a) any of the rights of any of the Prepetition Secured Parties to seek any other or supplemental relief in respect of the Debtors including the right to seek additional adequate protection in all respects subject to the Collateral Trust Agreement; provided that any such further or different adequate protection shall at all times be subordinate and junior to the claims and liens of the DIP Agent, the DIP Lenders, and the DIP Secured Designated Coal Contract Counterparties granted under the Interim Order, this Final Order and the DIP Documents; (b) any of the rights of the DIP Agent, the DIP Lenders, the DIP Secured Designated Coal Contract Counterparties, or the Prepetition Secured Parties under the Bankruptcy Code or under non-bankruptcy law, including, without limitation, the right of any of the DIP Agent, the DIP Lenders, the DIP Secured Designated Coal Contract Counterparties, or the Prepetition First Lien Parties to (i) request modification of the automatic stay of Bankruptcy Code section 362, (ii) request dismissal of any of the Cases, conversion of any

of the Cases to cases under chapter 7, or appointment of a chapter 11 trustee or examiner with expanded powers in any of the Cases, (iii) seek to propose, subject to the provisions of Bankruptcy Code section 1121, a chapter 11 plan or plans; or (c) any other rights, claims, or privileges (whether legal, equitable, or otherwise) of any of the DIP Agent, the DIP Lenders, the DIP Secured Designated Coal Contract Counterparties, or the Prepetition Secured Parties (in the case of the Prepetition Secured Parties, in all respects subject to the Collateral Trust Agreement). The delay in or failure of the DIP Agent, the DIP Lenders, the DIP Secured Designated Coal Contract Counterparties, and/or the Prepetition Secured Parties to seek relief or otherwise exercise their rights and remedies shall not constitute a waiver of any of the DIP Agent's, the DIP Lenders', the DIP Secured Designated Coal Contract Counterparties', or the Prepetition First Lien Parties' rights and remedies.

23. *Termination Event.* Subject to paragraph 24, the Debtors' authorization to use Cash Collateral and the proceeds of the DIP Facility pursuant to the Interim Order and this Final Order shall automatically terminate, and the DIP Obligations shall become due and payable, without further notice or action by the Court following the earliest to occur of any of the following (each a "Termination Event"): (a) the occurrence of an Event of Default (as defined in the DIP Credit Agreement), which are explicitly incorporated by reference into this Final Order; (b) the Debtors' failure to (i) comply with any provision of the Interim Order and this Final Order, (ii) comply with any other covenant or agreement specified in the Interim Order and this Final Order or the DIP Credit Agreement (which covenants and agreements, together with any applicable grace periods, are explicitly incorporated by reference into this Final Order), or (iii) comply with any of the Milestones (as defined in, and as set forth in, the DIP Credit Agreement); (c) the termination of the Restructuring Support Agreement or the Backstop Commitment Agreement (as defined in the

DIP Credit Agreement), in either case, other than as a result of a breach by the DIP Lenders thereunder; or (d) the occurrence of the Maturity Date (as defined in the DIP Credit Agreement).

24. *Remedies Upon a Termination Event.* The Debtors shall immediately provide notice to counsel to the DIP Agent, the DIP Lenders, the DIP Secured Designated Coal Contract Counterparties, the Prepetition First Lien Agents, the Ad Hoc First Lien Group, and the Ad Hoc Crossover Group (with a copy to counsel to the Creditors' Committee), of the occurrence of any Termination Event, at which time the Debtors' ability to use Cash Collateral hereunder shall terminate (subject to the proviso at the end of this paragraph 24) and the DIP Obligations shall become due and payable. Upon the occurrence of a Termination Event and following the giving of not less than three business days' advance written notice, which may be by email (the "Enforcement Notice"), to counsel to the Debtors, the U.S. Trustee, and counsel to the Creditors' Committee (if any) (the "Notice Period"), (a) the DIP Agent may exercise any rights and remedies against the DIP Collateral available to it under this Final Order, the DIP Documents, and applicable non-bankruptcy law, and the DIP Agent, the DIP Lenders, and the DIP Secured Designated Coal Contract Counterparties may exercise such other rights available to them under the DIP Documents, this Final Order, or the Javelin Agreements, as applicable, including but not limited to terminating all commitments to extend credit under the DIP Facility or Javelin Agreements, as applicable, and (b) the Prepetition First Lien Parties may exercise any rights and remedies to satisfy the Prepetition First Lien Obligations, the First Lien Adequate Protection Superpriority Claims and any other First Lien Adequate Protection Obligations, subject to the DIP Obligations, the DIP Superpriority Claims, Permitted Liens and, in each case, the Carve Out. The only permissible basis for the Debtors, the Prepetition Second Lien Noteholders, the Creditors' Committee, or any other party to contest, challenge or object to an Enforcement Notice shall be solely with respect to

the validity of the Termination Event(s) giving rise to such Enforcement Notice (*i.e.*, whether such Termination Event validly occurred and has not been cured or waived in accordance with this Final Order). The automatic stay pursuant to Bankruptcy Code section 362 shall be automatically terminated with respect to the DIP Agent, the DIP Lenders, the DIP Secured Designated Coal Contract Counterparties, and the Prepetition First Lien Parties at the end of the Notice Period, without further notice or order of the Court, unless the DIP Agent, the DIP Lenders, the DIP Secured Designated Coal Contract Counterparties, the Prepetition First Lien Agents, and the Prepetition First Lien Lenders elect otherwise in a written notice to the Debtors, which may be by email. Upon termination of the automatic stay, the DIP Agent, the DIP Lenders, the DIP Secured Designated Coal Contract Counterparties, and the Prepetition First Lien Parties, as applicable, shall be permitted to exercise all rights and remedies set forth herein, in the DIP Documents, the Javelin Agreements and the Prepetition First Lien Credit Documents, as applicable, and as otherwise available at law against the DIP Collateral and/or Prepetition Collateral, without any further order of or application or motion to the Court, and without restriction or restraint imposed by any stay under Bankruptcy Code sections 362 or 105, or otherwise, against (x) the enforcement of the liens and security interests in the DIP Collateral or the Prepetition Collateral, or (y) the pursuit of any other rights and remedies granted to the DIP Agent, the DIP Lenders, the DIP Secured Designated Coal Contract Counterparties, or the Prepetition First Lien Parties pursuant to the DIP Documents, the Javelin Agreements, the Prepetition First Lien Credit Documents, or this Final Order, as applicable; provided that during the Notice Period the Debtors may use the proceeds of the DIP Facility (to the extent drawn prior to the occurrence of a Termination Event) or Cash Collateral only to (i) fund operations in accordance with the DIP Credit Agreement and the Cash Flow Forecast and (ii) to fund the Carve Out Reserves; provided further that during the Notice Period

the Debtors, the DIP Lenders, and the DIP Agent consent to a hearing on an expedited basis to consider whether a Termination Event has occurred; provided further, that if a hearing to consider the foregoing is requested to be heard before the end of the Notice Period but is scheduled for a later date by the Court, the Notice Period shall be automatically extended to the date of such hearing, but in no event later than five business days after delivery of the Enforcement Notice; provided further that any fees and expenses incurred by the Debtors or the Creditors' Committee during the Notice Period shall permanently reduce the Post-Carve Out Trigger Notice Cap. Any party in interest shall be entitled to seek an emergency hearing for the purpose of contesting whether assets constitute assets of the Debtors' estates and nothing in this Final Order shall affect any party in interest's rights or positions at such hearing.

25. *No Waiver for Failure to Seek Relief.* The failure or delay of the DIP Agent, the DIP Lenders, the DIP Secured Designated Coal Contract Counterparties, or any of the Prepetition Secured Parties to exercise rights and remedies under this Final Order, the DIP Documents, the Prepetition First Lien Credit Documents, the Prepetition Second Lien Documents, or applicable law, as the case may be, shall not constitute a waiver of their respective rights hereunder, thereunder or otherwise.

26. *Perfection of the DIP Liens and Adequate Protection Liens.*

(a) Subject to the limitations in paragraph 27(a) of this Final Order, the DIP Agent and the Prepetition Agents are hereby authorized, but not required, to file or record (and to execute in the name of the Debtors, as their true and lawful attorneys, with full power of substitution, to the maximum extent permitted by law) financing statements, intellectual property filings, mortgages, depository account control agreements, notices of lien, or similar instruments in any jurisdiction in order to validate and perfect the liens and security interests granted hereunder. Whether or not

the DIP Agent or the Prepetition Agents shall, in their sole discretion, choose to file such financing statements, intellectual property filings, mortgages, notices of lien, or similar instruments, such liens and security interests shall be deemed valid, automatically perfected, allowed, enforceable, non-avoidable and not subject to challenge, dispute or subordination (subject to the priorities set forth in this Final Order), at the time and on the date of entry of the Interim Order. Upon the request of the DIP Agent, the Prepetition Collateral Trustee, or the Prepetition Second Lien Indenture Trustee, as applicable, each of the Prepetition Secured Parties and the Debtors, without any further consent of any party, is authorized to take, execute, deliver, and file such instruments (in the case of the Prepetition Secured Parties, without representation or warranty of any kind) to enable the DIP Agent, the Prepetition Collateral Trustee, or the Prepetition Second Lien Indenture Trustee to further validate, perfect, preserve, and enforce the DIP Liens and the applicable Adequate Protection Liens, respectively. All such documents will be deemed to have been recorded and filed as of the Petition Date.

(b) A certified copy of this Final Order may, in the discretion of the DIP Agent or the applicable Prepetition Agents, be filed with or recorded in filing or recording offices in addition to or in lieu of such financing statements, mortgages, notices of lien or similar instruments, and all filing offices are hereby authorized to accept such certified copy of this Final Order for filing and recording; provided, however, that notwithstanding the date of any such filing, the date of such perfection shall be the date of the Interim Order.

(c) Any provision of any lease or other license, contract or other agreement that requires (i) the consent or approval of one or more landlords or other parties, or (ii) the payment of any fees or obligations, in order for any Debtor to pledge, grant, sell, assign, or otherwise transfer any such leasehold interest, or the proceeds thereof, or other collateral related thereto in

connection with the granting of the DIP Liens and the Adequate Protection Liens, is hereby deemed to be inconsistent with the applicable provisions of the Bankruptcy Code. Thereupon, any such provision shall have no force and effect with respect to the granting of the DIP Liens and the Adequate Protection Liens on such leasehold interest or the proceeds of any assignment, and/or sale thereof by any Debtor in accordance with the terms of the DIP Credit Agreement or this Final Order.

(d) Nothing in this Final Order, the DIP Documents, or any other agreement or document executed in connection with the DIP Loans or this Final Order will increase, enhance, or be deemed to increase or enhance the rights and/or interests of any of the Debtors in the real, personal, or mixed property interests underlying or related to the Pierce Deeds (as defined in the Limited Objection of the Subsidence Rights Claimants [Docket No. 199]).

27. *Preservation of Rights Granted Under this Final Order.*

(a) Unless and until all DIP Obligations, Prepetition First Lien Obligations, and First Lien Adequate Protection Obligations are indefeasibly paid in full, in cash, and all commitments to extend credit under the DIP Facility are terminated, the Prepetition Second Lien Noteholders shall, in each case solely to the extent provided for in the Collateral Trust Agreement and applicable law: (i) take no action to foreclose upon, or recover in connection with, the liens granted thereto pursuant to the Prepetition Second Lien Documents, the Interim Order or this Final Order, or otherwise seek to exercise or enforce any rights or remedies against such DIP Collateral; and (ii) be restricted from exercising any rights and remedies or taking any other actions in respect of the DIP Collateral to the extent provided by the Collateral Trust Agreement and applicable law.

(b) Subject to the Carve Out, other than as set forth in this Final Order, neither the DIP Liens nor the First Lien Adequate Protection Liens shall be made subject to or *pari passu* with any

lien or security interest granted in any of the Cases or arising after the Petition Date, and neither the DIP Liens nor the First Lien Adequate Protection Liens shall be subject or junior to any lien or security interest that is avoided and preserved for the benefit of the Debtors' estates under Bankruptcy Code section 551.

(c) In the event this Final Order or any provision hereof is vacated, reversed, or modified on appeal or otherwise, any liens or claims granted to the Prepetition Secured Parties hereunder arising prior to the effective date of any such vacatur, reversal, or modification of this Final Order shall be governed in all respects by the original provisions of this Final Order, including entitlement to all rights, remedies, privileges, and benefits granted herein, and the Prepetition Secured Parties shall be entitled to the protections afforded in Bankruptcy Code section 363(m) with respect to all uses of the Prepetition Collateral (including the Cash Collateral) and all Adequate Protection Obligations.

(d) Subject to the Carve Out, unless and until all DIP Obligations, Prepetition First Lien Obligations, Prepetition Second Lien Obligations, and Adequate Protection Obligations are indefeasibly paid in full, in cash, and all commitments to extend credit under the DIP Facility are terminated, the Debtors irrevocably waive the right to seek and shall not seek or consent to, directly or indirectly: (i) except as permitted under the DIP Documents and with the prior written consent of the DIP Agent and the Required Lenders, (x) any modification, stay, vacatur, or amendment of this Final Order, (y) a priority claim for any administrative expense, secured claim or unsecured claim against any of the Debtors (now existing or hereafter arising of any kind or nature whatsoever, including, without limitation, any administrative expense of the kind specified in Bankruptcy Code sections 503(b), 507(a) or 507(b)) in any of the Cases, equal or superior to the DIP Superpriority Claims, the Adequate Protection Superpriority Claims, the Prepetition First Lien

Obligations, and the Prepetition Second Lien Obligations (or the liens and security interests securing such claims and obligations), or (z) any other order allowing use of the DIP Collateral; (ii) except as permitted under the DIP Documents, any lien on any of the DIP Collateral or the Prepetition Collateral with priority equal or superior to the DIP Liens, the Adequate Protection Liens, the Prepetition First Liens, or the Prepetition Second Liens, as the case may be; (iii) the use of Cash Collateral for any purpose other than as permitted in the DIP Documents and this Final Order; (iv) except as set forth in the DIP Documents, the return of goods pursuant to section 546(h) of the Bankruptcy Code (or other return of goods on account of any prepetition indebtedness) to any creditor of any Debtor; (v) an order converting or dismissing any of the Cases; (vi) an order appointing a chapter 11 trustee in any of the Cases; or (vii) an order appointing an examiner with enlarged powers in any of the Cases.

(e) Notwithstanding any order dismissing any of the Cases under Bankruptcy Code section 1112 or otherwise entered at any time, (x) the DIP Liens, the DIP Superpriority Claims, the Adequate Protection Liens, the Adequate Protection Superpriority Claims, and the other administrative claims granted pursuant to the Interim Order or this Final Order, shall continue in full force and effect and shall maintain their priorities as provided in the Interim Order and this Final Order until all DIP Obligations and Adequate Protection Obligations are indefeasibly paid in full, in cash (and such DIP Liens, DIP Superpriority Claims, Adequate Protection Liens, Adequate Protection Superpriority Claims, and the other administrative claims granted pursuant to the Interim Order and this Final Order, shall, notwithstanding such dismissal, remain binding on all parties in interest); and (y) the Court shall retain jurisdiction, notwithstanding such dismissal, for the purposes of enforcing the claims, liens and security interests referred to in clause (x) above.

(f) Except as expressly provided in this Final Order or in the DIP Documents, the DIP Liens, the DIP Superpriority Claims, the Adequate Protection Liens, the Adequate Protection Superpriority Claims, and all other rights and remedies of the DIP Agent, the DIP Lenders, the Prepetition First Lien Agents, and the Prepetition First Lien Lenders granted by the provisions of the Interim Order, this Final Order and the DIP Documents shall survive, shall maintain their priority as provided in the Interim Order and this Final Order, and shall not be modified, impaired or discharged by (i) the entry of an order converting any of the Cases to a case under chapter 7, dismissing any of the Cases, terminating the joint administration of these Cases or by any other act or omission, (ii) the entry of an order approving the sale of any Prepetition Collateral or DIP Collateral pursuant to Bankruptcy Code section 363(b), or (iii) the entry of an order confirming a plan of reorganization in any of the Cases and, pursuant to Bankruptcy Code section 1141(d)(4), the Debtors have waived any discharge as to any remaining DIP Obligations or Adequate Protection Obligations. The terms and provisions of the Interim Order, this Final Order and the DIP Documents shall continue in these Cases, in any successor cases if these Cases cease to be jointly administered, or in any superseding chapter 7 cases under the Bankruptcy Code. The DIP Liens, the DIP Superpriority Claims, the Adequate Protection Liens and Adequate Protection Superpriority Claims and all other rights and remedies of the DIP Parties and the Prepetition Secured Parties granted by the provisions of the Interim Order and this Final Order shall continue in full force and effect until the DIP Obligations and the Adequate Protection Obligations are indefeasibly paid in full, in cash (or, with respect to the DIP Obligations, otherwise satisfied in a manner agreed to by the Required Lenders).

28. *Expenses and Indemnification.*

(a) The Debtors shall pay: (i) the reasonable and documented out-of-pocket fees and expenses incurred by professionals or consultants retained by the DIP Agent and the DIP Lenders, including (x) the Ad Hoc First Lien Advisors and (y) the Ad Hoc Crossover Group Advisors (collectively, the “DIP Professionals”), incurred in connection with the Cases (in any capacity) and the DIP Facility, whether or not the DIP Facility is successfully consummated, (ii) the reasonable and documented out-of-pocket expenses (including, without limitation, fees, disbursements and other charges of DIP Professionals) of the DIP Agent and the DIP Lenders, for enforcement costs and documentary taxes associated with the DIP Facility and the transactions contemplated thereby, are to be paid by the Debtors, and (iii) the reasonable and documented out-of-pocket fees and expenses incurred by professionals or consultants (including Paul Hastings LLP and Carmody MacDonald P.C.) retained by the DIP Secured Designated Coal Contract Counterparties solely to the extent such fees and expenses are payable by the Debtors under the Javelin Agreements; provided, however, that the DIP Secured Designated Coal Contract Counterparties shall not be entitled to payment of, and the Debtors shall not be obligated to pay, any fees or expenses incurred by them in connection with the assertion of any claims, or litigation commenced, against the Debtors (other than in connection with the enforcement of their rights hereunder and under the Javelin Agreements), the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties. All fees and expenses described above shall be payable by the Debtors (whether accrued or incurred prior to, on, or after the Petition Date) within ten (10) calendar days after the delivery of invoices (which invoices shall not be required to comply with any particular format and may be in summary form only and may be in redacted form to protect privileged and confidential information) to the Debtors, the U.S. Trustee, and the Creditors’ Committee, without

the necessity of filing motions or fee applications and such fees and expenses shall not be subject to any further review, challenge, or disgorgement following the expiration of such period; provided that if the Debtors, the U.S. Trustee, or the Creditors' Committee sends to the affected professional, the Debtors, and the U.S. Trustee within five (5) calendar days of receipt of any invoice a written objection to such invoice, then the portion of any invoice subject to such objection shall not be paid until resolution of the objection by this Court or by mutual consent.

(b) As set forth in the DIP Facility, the Debtors will, jointly and severally, indemnify the DIP Lenders, the DIP Agent, the DIP Secured Designation Coal Contract Counterparties, and their respective affiliates, successors and assigns and the officers, directors, employees, agents, advisors, controlling persons, and members of each of the foregoing (each an "Indemnified Person"), and hold them harmless from and against any and all losses, claims, damages, costs, expenses (including but not limited to reasonable and documented legal fees and expenses), and liabilities arising out of or relating to the execution or delivery of the DIP Credit Agreement and other DIP Documents, transactions contemplated hereby and thereby, and any actual or proposed use of the proceeds of any loans made under the DIP Facility in accordance with the terms of the DIP Credit Agreement; provided that no such person will be indemnified for costs, expenses, or liabilities to the extent determined by a final, non-appealable judgment of a court of competent jurisdiction to have been incurred solely by reason of the actual fraud, gross negligence, or willful misconduct of such person (or their related persons). No Indemnified Person shall have any liability (whether direct or indirect, in contract, tort or otherwise) to the Debtors or any shareholders or creditors of the Debtors for or in connection with the transactions contemplated hereby, except to the extent such liability is found in an final non-appealable judgment by a court of competent jurisdiction to have resulted solely from such Indemnified Person's actual fraud,

gross negligence or willful misconduct, and in no event shall any Indemnified Person be liable on any theory of liability for any special, indirect, consequential, or punitive damages.

29. *Limitation on Use of DIP Facility Proceeds, DIP Collateral, and Cash Collateral*

(a) Notwithstanding anything to the contrary set forth in this Final Order or in any other order of this Court to the contrary, none of the DIP Facility, the DIP Collateral, the Prepetition Collateral or the proceeds thereof, including Cash Collateral, shall be used to pay the fees incurred by Committee Professionals in the aggregate that are in excess of (i) accrued fees through the date of the conclusion of the Final Hearing, (ii) \$637,500.00 for the month of April 2020, but prorated based upon the remaining number of days from the date of the conclusion of the Final Hearing, (iii) \$637,500.00 for May 2020, (iv) \$575,000.00 for June 2020, and (v) \$525,000.00 for July 2020 and each month thereafter (collectively, the “Committee Monthly Cap”); provided that any unused amounts from one month may be applied to any other month in which the Committee Professionals’ fees exceeded the Committee Monthly Cap. For the avoidance of doubt, the Committee Monthly Cap does not apply to the payment of the Committee’s reasonable out-of-pocket expenses.

(b) Notwithstanding anything to the contrary set forth in this Final Order, none of the DIP Facility, the DIP Collateral, the Prepetition Collateral or the proceeds thereof, including Cash Collateral, or the Carve Out may be used: (a) to investigate (except as expressly provided herein), initiate, prosecute, join, or finance the initiation or prosecution of any claim, counterclaim, action, suit, arbitration, proceeding, application, motion, objection, defense, or other litigation of any type (i) against any of the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties (each in their capacities as such) or seeking relief that would impair the rights and remedies of the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties (each in their capacities as such) under the DIP

Documents, this Final Order, or the Prepetition Credit Documents to the extent permitted or provided hereunder, including, without limitation, for the payment of any services rendered by the professionals retained by the Debtors or any Creditors' Committee in connection with the assertion of or joinder in any claim, counterclaim, action, proceeding, application, motion, objection, defense, or other contested matter, the purpose of which is to seek, or the result of which would be to obtain, any order, judgment, determination, declaration, or similar relief that would impair the ability of any of the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties to recover on the DIP Collateral or the Prepetition Collateral, as provided for herein, or seeking affirmative relief against any of the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties related to the DIP Obligations, or the Prepetition Secured Obligations, (ii) seeking to invalidate, set aside, avoid, or subordinate, in whole or in part, the DIP Obligations, the DIP Superpriority Claims, or the DIP Agent's and the DIP Lenders' liens or security interests in the DIP Collateral, the Prepetition Secured Obligations or the Prepetition Liens, or (iii) for monetary, injunctive, or other affirmative relief against the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties (each in their capacities as such), or their respective liens on or security interests in the DIP Collateral or the Prepetition Collateral, or the DIP Superpriority Claims, that would impair the ability of any of the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties to assert or enforce any lien, claim, right, or security interest or to realize or recover on the DIP Obligations or the Prepetition Secured Obligations to the extent permitted or provided hereunder; (b) for objecting to or challenging in any way the legality, validity, priority, perfection, or enforceability of the claims, liens, or interests (including the Prepetition Liens) held by or on behalf of each of the Prepetition Secured Parties related to the Prepetition Secured Obligations, or by or on behalf of the DIP Agent and the DIP Lenders related to the DIP Obligations; (c) for asserting, commencing, or prosecuting any claims

or causes of action whatsoever, including, without limitation, any Avoidance Actions (as defined herein) related to the DIP Obligations, the DIP Superpriority Claims, the DIP Liens, the Prepetition Secured Obligations, or the Prepetition Liens; (d) for prosecuting an objection to, contesting in any manner, or raising any defenses to, the validity, extent, amount, perfection, priority, or enforceability of: (x) any of the DIP Liens, the DIP Superpriority Claims, or any other rights or interests of the DIP Agent or the DIP Lenders related to the DIP Obligations or the DIP Liens, or (y) any of the Prepetition Liens or any other rights or interests of any of the Prepetition Secured Parties related to the Prepetition Secured Obligations or the Prepetition Liens; and (e) assert any claims, defenses, or any other causes of action any non-Debtor affiliates with respect to prepetition relationships with the Debtors; provided that no more than \$250,000.00 of the proceeds of the DIP Facility, the DIP Collateral, or the Prepetition Collateral, including the Cash Collateral, in the aggregate, may be used by the Creditors' Committee (x) to investigate the foregoing matters within the Challenge Period (as defined herein) and (y) to investigate claims or causes of action against non-Debtor affiliates of the Debtors ("Challenge Budget"). Nothing herein shall prohibit the Creditors' Committee from investigating or litigating any party's compliance or non-compliance with the terms of the Interim Order, this Final Order, or the DIP Documents or the Javelin Agreements.

(c) All fees and expenses of the Committee Professionals in excess of (i) the Committee Monthly Cap and/or (ii) the Challenge Budget, as applicable, shall not be entitled to administrative expense priority pursuant to section 503(b) of the Bankruptcy Code or otherwise.

30. *Effect of Stipulations on Third Parties.*

(a) The Debtors' acknowledgments, stipulations, admissions, waivers, and releases set forth in the Interim Order and this Final Order shall be binding on the Debtors, their respective

representatives, successors and assigns. The acknowledgments, stipulations, admissions, waivers, and releases contained in the Interim Order and this Final Order shall also be binding upon the Debtors' estate and all other parties in interest, including the Creditors' Committee, or any chapter 7 or chapter 11 trustee appointed or elected for any of the Debtors (a "Trustee"), unless (a) such party with requisite standing, has duly filed an adversary proceeding (or, with respect to the Creditors' Committee only, has filed a motion to obtain standing (a "Standing Motion") to pursue such an adversary proceeding, and, if granted, then commences forthwith such an adversary proceeding within three (3) business days following entry of the order granting the Standing Motion) challenging the validity, perfection, priority, extent, or enforceability of the Prepetition Liens, or the Prepetition Secured Obligations, or otherwise asserting or prosecuting any Avoidance Actions or any other claims, counterclaims or causes of action, objections, contests, or defenses (collectively, the "Claims and Defenses") against the Prepetition Secured Parties in connection with any matter related to the Prepetition Collateral, the Prepetition Liens or the Prepetition Secured Obligations by no later than (i) with respect to the Creditors' Committee, the date that is 75 days after the Creditors' Committee's formation or (ii) with respect to other parties in interest, no later than the date that is 75 days after the entry of the Interim Order (the time period established by the later of the foregoing clauses (i) and (ii), the "Challenge Period"); provided that in the event that, prior to the expiration of the Challenge Period, (x) these chapter 11 cases are converted to chapter 7 or (y) a chapter 11 trustee is appointed in these chapter 11 cases, then, in each such case, the Challenge Period shall be extended for a period of 60 days solely with respect to any Trustee, commencing on the occurrence of either of the events described in the foregoing clauses (x) and (y); and (b) an order is entered by a court of competent jurisdiction and becomes final and non-appealable in favor of the plaintiff sustaining any such challenge or claim in any such duly filed

adversary proceeding. If no such adversary proceeding (or, for the Committee, the filing of a Standing Motion followed by, if the Standing Motion is granted, the commencement of such an adversary proceeding within three (3) business days following entry of the order granting the Standing Motion) is timely filed prior to the expiration of the Challenge Period, without further order of this Court: (x) the Prepetition Secured Obligations shall constitute allowed claims, not subject to any Claims and Defenses (whether characterized as a counterclaim, setoff, subordination, recharacterization, defense, avoidance, contest, attack, objection, recoupment, reclassification, reduction, disallowance, recovery, disgorgement, attachment, “claim” (as defined by Bankruptcy Code section 101(5)), impairment, subordination (whether equitable, contractual or otherwise), or other challenge of any kind pursuant to the Bankruptcy Code or applicable non-bankruptcy law), for all purposes in these Cases and any subsequent chapter 7 cases, if any; (y) the Prepetition Liens shall be deemed to have been, as of the Petition Date, legal, valid, binding, perfected and of the priority specified in paragraphs 4(b) and 4(d), not subject to setoff, subordination, defense, avoidance, impairment, disallowance, recharacterization, reduction, recoupment, or recovery; and (z) the Prepetition Secured Obligations, the Prepetition Liens on the Prepetition Collateral and the Prepetition Secured Parties (in their capacities as such) shall not be subject to any other or further challenge and any party in interest shall be forever enjoined and barred from seeking to exercise the rights of the Debtors’ estates or taking any such action, including any successor thereto (including any estate representative or a Trustee, whether such Trustee is appointed or elected prior to or following the expiration of the Challenge Period). If any such adversary proceeding (or, for the Creditors’ Committee only, the filing of a Standing Motion followed by, if the Standing Motion is granted, the commencement of such an adversary proceeding within three (3) business days following entry of the order granting the Standing

Motion) is timely filed as provided above prior to the expiration of the Challenge Period, (a) the stipulations and admissions contained in the Interim Order and this Final Order shall nonetheless remain binding and preclusive on the Creditors' Committee and any other party in these cases, including any Trustee, except as to any stipulations or admissions that are specifically and expressly challenged in such adversary proceeding and (b) any Claims and Defenses not brought in such adversary proceeding shall be forever barred; provided that, if and to the extent any challenges to a particular stipulation or admission are withdrawn, denied or overruled by a final non-appealable order, such stipulation also shall be binding on the Debtors' estates and all parties in interest. The Challenge Period may be extended in writing from time to time in the sole discretion of the Prepetition Agents.

(b) Nothing in this Final Order vests or confers on any person (as defined in the Bankruptcy Code), including any Creditors' Committee, standing or authority to pursue any cause of action belonging to the Debtors or their estates, including, without limitation, any challenge with respect to the Prepetition Credit Documents or the Prepetition Secured Obligations. In the event that the Creditors' Committee is successful in any such adversary proceeding initiated under this paragraph, the Court retains jurisdiction to grant a remedy that is appropriate under the circumstances.

31. *Release.* Subject to the rights and limitations set forth in paragraphs 29 and 30 of this Final Order, each of the Debtors and the Debtors' estates, on its own behalf and on behalf of each of their predecessors, their successors, and assigns shall to the maximum extent permitted by applicable law, unconditionally, irrevocably and fully forever release, remise, acquit, relinquish, irrevocably waive and discharge each of the DIP Lenders, the DIP Agent, the Prepetition Secured Parties, and each of their respective former, current or future officers, employees, directors, agents,

representatives, owners, members, partners, affiliated investment funds or investment vehicles, managed, advised or sub-advised accounts, funds or other entities, investment advisors, sub-advisors or managers, financial advisors, legal advisors, shareholders, managers, consultants, accountants, attorneys, affiliates, and predecessors in interest, each in their capacity as such, of and from any and all claims, demands, liabilities, responsibilities, disputes, remedies, causes of action, indebtedness and obligations, rights, assertions, allegations, actions, suits, controversies, proceedings, losses, damages, injuries, attorneys' fees, costs, expenses, or judgments of every type, whether known, unknown, asserted, unasserted, suspected, unsuspected, accrued, unaccrued, fixed, contingent, pending, or threatened including, without limitation, all legal and equitable theories of recovery, arising under common law, statute or regulation or by contract, of every nature and description that exist on the date hereof with respect to or relating to the DIP Obligations, the DIP Superpriority Claims, the DIP Liens, the Prepetition Secured Obligations or the Prepetition Liens, as applicable, including, without limitation, (i) any so-called "lender liability" or equitable subordination claims or defenses, (ii) any and all claims and causes of action arising under the Bankruptcy Code, and (iii) any and all claims and causes of action regarding the validity, priority, extent, enforceability, perfection or avoidability of the liens or claims of the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties. For the avoidance of doubt, this paragraph 31 shall not release the DIP Secured Designated Coal Contract Counterparties from any obligations under the Javelin Agreements.

32. *Collateral Trust Agreement.* The rights of the Prepetition Secured Parties shall at all times remain subject to the Collateral Trust Agreement.

33. *Credit Bidding.* (a) The DIP Agent, or any assignee or designee of the DIP Agent, acting at the direction of the Required Lenders and on behalf of the DIP Parties, shall have the

unqualified right to credit bid up to the full amount of any DIP Obligations in the sale of any of the Debtors' assets, including pursuant to (i) Bankruptcy Code section 363, (ii) a plan of reorganization or a plan of liquidation under Bankruptcy Code section 1129, or (iii) a sale or disposition by a chapter 7 trustee for any Debtor under Bankruptcy Code section 725, and (b) subject to the indefeasible payment in full in cash of the DIP Obligations, the Prepetition First Lien Agents (on behalf of the Prepetition First Lien Lenders) shall have the right to credit bid (x) up to the full amount of the Prepetition First Lien Obligations (other than the Roll-Up Loans) and (y) the First Lien Adequate Protection Obligations in the sale of any of the Debtors' assets, including, but not limited to, pursuant to (i) Bankruptcy Code section 363, (ii) a plan of reorganization or a plan of liquidation under Bankruptcy Code section 1129, or (iii) a sale or disposition by a chapter 7 trustee for any Debtor under Bankruptcy Code section 725. The DIP Agent, at the direction of the Required Lenders, and on behalf of the DIP Parties, shall have the absolute right to assign, sell, or otherwise dispose of its right to credit bid in connection with any credit bid by or on behalf of the DIP Parties to any acquisition entity or joint venture formed in connection with such bid. Except for the amount of any credit bid in accordance with this paragraph 33, nothing in this Final Order or the DIP Documents shall impair or adversely affect the right of the United States or any State to object to any credit bid for cause under section 363(k) of the Bankruptcy Code.

34. *Prepetition Undrawn Letter of Credit.* Within ten (10) days from entry of this Final Order, the Debtors shall have either (i) posted cash collateral with the Prepetition First Lien Administrative Agent equal to 103% of the face amount of all remaining prepetition issued and undrawn letters of credit (the "Prepetition Undrawn Letters of Credit"), and/or (ii) provided the Prepetition First Lien Administrative Agent with evidence of the release and/or cancellation of all such Prepetition Undrawn Letters of Credit. Notwithstanding anything to the contrary set forth in

the Interim Order or in this Final Order, the Prepetition First Lien Administrative Agent (for the benefit of the Prepetition First Lien Revolving Lenders) shall have a first priority lien and security interest in and to such cash collateral as security for any unreimbursed obligations owing to the Prepetition First Lien Revolving Lenders on account of any draws or presentments on such letters of credit. In the event of any presentment of the Prepetition Undrawn Letters of Credit which are not immediately reimbursed by the Debtors pursuant to the terms of the Prepetition First Lien Credit Agreement, the Prepetition First Lien Administrative Agent is authorized to apply such cash collateral to the payment of such unreimbursed obligations.

35. *Final Order Governs.* In the event of any inconsistency between the provisions of the Interim Order, the DIP Documents and this Final Order, the provisions of this Final Order shall govern.

36. *Binding Effect; Successors and Assigns.* The DIP Documents and the provisions of this Final Order, including all findings herein, shall be binding upon all parties in interest in these Cases, including without limitation, the DIP Agent, the DIP Lenders, the DIP Secured Designated Coal Contract Counterparties, the Prepetition Secured Parties, the Creditors' Committee, and the Debtors and their respective successors and assigns (including any chapter 7 or chapter 11 trustee hereinafter appointed or elected for the estate of any of the Debtors, an examiner appointed pursuant to Bankruptcy Code section 1104, or any other fiduciary appointed as a legal representative of any of the Debtors or with respect to the property of the estate of any of the Debtors) and shall inure to the benefit of the DIP Agent, the DIP Lenders, the DIP Secured Designated Coal Contract Counterparties, and the Prepetition First Lien Parties, provided that, except to the extent expressly set forth in this Final Order, the Prepetition First Lien Parties shall

have no obligation to permit the use of Cash Collateral or to extend any financing to any chapter 7 trustee or similar responsible person appointed for the estates of the Debtors.

37. *Limitation of Liability.* In determining to make any loan under the DIP Documents, permitting the use of Cash Collateral, or exercising any rights or remedies as and when permitted pursuant to this Final Order, the DIP Documents, the Prepetition First Lien Credit Documents, or the Prepetition Second Lien Documents, the DIP Agent, the DIP Lenders, the DIP Secured Designated Coal Contract Counterparties, and the Prepetition Secured Parties shall not be deemed to be in control of the operations of the Debtors or to be acting as a “responsible person” or “owner or operator” with respect to the operation or management of the Debtors or their respective business (as such terms, or any similar terms, are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. §§ 9601 *et seq.* as amended, or any applicable comparable federal, state or local law), nor shall they owe any fiduciary duty to any of the Debtors, their creditors or estates, or constitute or be deemed to constitute a joint venture or partnership with any of the Debtors. Furthermore, nothing in this Final Order, the DIP Documents or the Prepetition Credit Documents shall in any way be construed or interpreted to impose or allow the imposition upon the DIP Agent, the DIP Lenders, the DIP Secured Designated Coal Contract Counterparties or the Prepetition Secured Parties of any liability for any claims arising from the prepetition or postpetition activities of any of the Debtors and their respective affiliates (as defined in Bankruptcy Code section 101(2)).

38. *Master Proofs of Claim.* Notwithstanding anything to the contrary in the Motion or this Final Order, the Prepetition Agents, together with any other such agents or trustees referenced in this Final Order, are each authorized, but not directed or required, to file one master proof of claim on behalf of themselves and the Prepetition Secured Parties, as applicable, on

account of any and all of the respective claims arising under the Prepetition Credit Documents, as applicable, and hereunder (the “Master Proof of Claim”). For administrative convenience, any Master Proof of Claim authorized herein may be filed in the case of Debtor Foresight Energy LP with respect to all amounts asserted in such Master Proof of Claim, and such Master Proof of Claim shall be deemed to be filed and asserted by the applicable entity or entities against every Debtor asserted to be liable for the applicable claim. No authorized Master Proof of Claim shall be disallowed, reduced, or expunged on the basis that it is filed only against Debtor Foresight Energy LP and not in such Debtor’s case. For the avoidance of doubt, the provisions set forth in this paragraph and any Master Proof of Claim filed pursuant to the terms hereof are intended solely for the purpose of administrative convenience and shall not affect the substantive rights of any party in interest or their respective successors in interest, including, without limitation, the numerosity requirements set forth in section 1126 of the Bankruptcy Code. The Prepetition Agents shall not be required to attach any instruments, agreements, or other documents evidencing the obligations owing by each of the Debtors to the Prepetition Secured Parties, as applicable, which instruments, agreements, or other documents will be provided upon written request to counsel to the Prepetition Agents.

39. Notwithstanding anything to the contrary herein, (a) the designation of Javelin and Uniper as DIP Secured Designated Coal Contract Counterparties under the DIP Credit Agreement, (b) the designation of certain obligations arising under the Javelin Agreements as DIP Obligations, (c) the DIP Liens securing the DIP Secured Designated Coal Contract Obligations, and (d) all other rights and remedies granted to the DIP Secured Designated Coal Contract Counterparties hereunder shall, in each case, be subject to (x) the Debtors’ entry into the Javelin Agreements and the Settlement Agreement, (y) the Court’s approval of the Settlement Agreement, and (z) with

respect to (i) any amendments or modifications to the Javelin Agreements (as in effect on the Javelin Agreements Effective Date (as defined in Section 10.25(a) of the DIP Credit Agreement)) or (ii) the entry into any other proposed Designated Coal Contract (as defined in the DIP Credit Agreement) after the date of this Final Order, all such amendments, modifications or agreements shall be on terms consistent with and subject to the requirements of Section 10.25 of the DIP Credit Agreement and this Final Order.

40. *Governmental Matters.*

(a) Notwithstanding anything to the contrary in this Final Order or the DIP Documents, nothing in this Final Order or the various DIP Documents shall relieve the Debtors of any obligations under federal, state or local police or regulatory laws or under 28 U.S.C. § 959(b), provided that nothing herein shall limit or impair the Debtors' rights to assert defenses under applicable law and nothing herein shall create new defenses to obligations under police or regulatory laws or 28 U.S.C. § 959(b).

(b) Notwithstanding anything to the contrary in this Final Order or the DIP Documents, nothing in this Final Order or the various DIP Documents shall impair the United States of America's rights, claims and defenses of set-off and recoupment against the Debtors, or those of any State or any of the foregoing's respective agencies, departments or agents, and all such rights, claims and defenses shall be preserved in their entirety, and rights and defenses of the Debtors or other parties in interest are preserved in their entirety.

(c) Paragraphs 31 and 37 of this Final Order shall apply with respect to liabilities to governmental units under police or regulatory law so long as the actions of the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties, or various DIP Facilities, as applicable, do not constitute, within the meaning of 42 U.S.C. § 9601(20)(F), participation in the management or

operational affairs of a vessel or facility owned or operated by the Debtors, or otherwise cause the waiver or termination of protections afforded lenders because of the status of controlling or otherwise becoming a responsible person, owner, or operator under applicable federal, state, or local law. For the avoidance of doubt, in determining to make any loan or other extension of credit under the DIP Credit Agreement, permitting the use of Cash Collateral, performing under this Final Order and the various DIP Documents in the ordinary course, none of the DIP Agent, DIP Lenders, or Prepetition Secured Parties, shall be deemed to have participated in the management or operational affairs of a vessel or facility owned or operated by the Debtors, or to have otherwise caused lender liability to arise; provided, however, that holding indicia of ownership for reasons that are not primarily to protect a security interest in a DIP Facility or exercising decision-making control over the Debtors' compliance with respect to environmental or mining regulatory laws or regulations shall not be considered ordinary course performance. Each DIP Agent, DIP Lender, and Prepetition Secured Party, and the DIP Facility, preserves and is not waiving any defenses it may have to any claims as set forth in the United States Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. § 9601 et seq. as amended, or applicable comparable federal, state and local law.

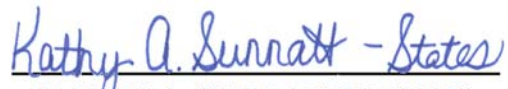

(d) Notwithstanding anything to the contrary in this Final Order or the DIP Documents, nothing in this Final Order or the various DIP Documents shall impair or adversely affect any right under applicable law of any governmental unit with respect to any financial assurance, letter of credit, trust, or bond or limit any governmental unit in the exercise of its police powers in accordance with 11 U.S.C. § 362(b)(4).

41. Notwithstanding anything to the contrary in this Final Order or the DIP Documents, nothing in this Final Order or the DIP Documents shall be deemed to authorize the assumption,

sale, assignment or other transfer by the Debtors, the DIP Agent, DIP Lenders, or the Prepetition Secured Parties of any agreements, grants, grant funds, licenses, permits, authorizations, contracts, or leases, in each case to which any governmental unit is a party (collectively, “Government Interests”), without compliance with all terms of any statute, regulation or contract giving rise to the Government Interests and with all applicable non-bankruptcy law; *provided, however*, that, for the avoidance of doubt, the foregoing shall in no way limit the granting of the DIP Liens and the Adequate Protection Liens on the DIP Collateral as set forth in this Final Order.

42. *Effectiveness.* This Final Order shall constitute findings of fact and conclusions of law and shall take effect as of the Petition Date immediately upon entry hereof. Notwithstanding Bankruptcy Rules 4001(a)(3), 6004(h), 6006(d), 7062 or 9024 or any other Bankruptcy Rule, or Rule 62(a) of the Federal Rules of Civil Procedure, this Final Order shall be immediately effective and enforceable upon its entry and there shall be no stay of execution or effectiveness of this Final Order.

43. No later than 2 business days after the date of this Order, the Debtors’ Claims and Noticing Agent shall serve on the Notice Parties a copy of this Final Order and shall file a certificate of service no later than 24 hours after service.

Initial Term Loans may be Base Rate Loans or Eurocurrency Rate Loans, as further provided herein.

(ii) Subject to the terms and conditions set forth herein, each Term Lender agrees, severally and not jointly, to make a loan ("Delayed Draw Term Loans") to the Borrower in Dollars, on the Delayed Draw Funding Date in an aggregate principal amount not to exceed such Term Lender's Delayed Draw Term Loan Commitment. Delayed Draw Term Loans may be Base Rate Loans or Eurocurrency Rate Loans, as further provided herein.

Any amount borrowed under this Section 2.01(a) and subsequently repaid or prepaid may not be reborrowed. Each Term Lender's Initial Term Loan Commitment or the Delayed Draw Term Loan Commitment shall terminate immediately and without any further action on the Closing Date or the Delayed Draw Funding Date, as applicable, after giving effect to the funding of such Term Lender's Commitment on such date. Notwithstanding anything to the contrary, unless the Administrative Agent and the Borrower shall otherwise agree, the initial Interest Period of any Delayed Draw Term Loans that are Eurocurrency Rate Loans shall commence on the date of funding and shall end on the last day of the then-current Interest Period for all Eurocurrency Rate Loans that are Initial Term Loans then outstanding.

(b) Roll-Up Loan.

(i) Subject to the terms and conditions set forth herein and the Orders, the Prepetition First Lien Obligations held by each Consenting First Lien Lender shall be automatically substituted and exchanged for (and

2.02 Borrowings, Conversions and Continuations of the Loans.

(a) Each Borrowing, each conversion of Loans from one Type to the other, and each continuation of Eurocurrency Rate Loans shall be made by delivery by Borrower of an irrevocable Borrowing Notice, appropriately completed and signed by a Responsible Officer of the Borrower, to the Administrative Agent. If the Borrower fails to specify a Type of Loan in a Borrowing Notice or if the Borrower fails to give a timely notice requesting a conversion or continuation of Eurocurrency Rate Loans, then the Loans shall be made as, or converted to, Base Rate Loans. Any such automatic conversion to Base Rate Loans shall be effective as of the last day of the Interest Period then in effect with respect to the applicable Eurocurrency Rate Loans.

(b) Following receipt of a Borrowing Notice, the Administrative Agent shall promptly notify each applicable Lender of the amount of its Applicable Percentage under the applicable Facility of the Loans, and if no timely notice of a conversion or continuation is provided by the Borrower, the Administrative Agent shall notify each applicable Lender of the details of any automatic conversion to Base Rate Loans as described in the preceding subsection. In the case of a Borrowing of any Term Loans, each applicable Lender shall make the amount of its Term Loan available to the Administrative Agent in immediately available funds at the Administrative Agent’s Office, not later than 1:00 p.m. on the Business Day specified in the applicable Borrowing Notice. (c) Except as otherwise provided herein, a Eurocurrency Rate Loan may be continued or converted only on the last day of an Interest Period for such Eurocurrency Rate Loan. During the existence of an Event of Default, no Loans of any Facility may be requested as, converted to or continued as Eurocurrency Rate Loans if the Required Lenders or the Administrative Agent so notify the Borrower.

(d) Promptly on each Interest Rate Determination Date, Administrative Agent shall determine (which determination shall, absent manifest error, be final, conclusive and binding upon all parties) the interest rate that shall apply to the Eurocurrency Rate Loans for which an interest rate is then being determined for the applicable Interest Period and shall promptly give notice thereof (in writing or by telephone confirmed in writing) to the Borrower and each Lender. At any time that Base Rate Loans are outstanding, the Administrative Agent shall notify the Borrower and the Lenders of any change in the Prime Rate used in determining the Base Rate promptly following the public announcement of such change.

(e) After giving effect to all Borrowings, all conversions of Loans from one type to the other, and all continuations of Loans as the same Type, there shall not be more than four (4) Interest Periods in effect hereunder in respect of the Loans.

Each such notice shall specify the date and amount of such prepayment and the Facility(ies) and Type(s) of Loans to be prepaid and, if Eurocurrency Rate Loans are to be prepaid, the Interest Period(s) of such Loans. The Administrative Agent will promptly notify each Lender of its receipt of each such notice and of the amount of such Lender's ratable portion of such prepayment (based on such Lender's Applicable Percentage in respect of the applicable Facility). If such notice is given by the Borrower, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein; provided that any such notice may be contingent upon the consummation of a refinancing or other transactions and such notice may otherwise be extended or revoked by the Borrower by notice to the Administrative Agent prior to the specified effective date if such condition is not satisfied, in each case, with the requirements of Section 3.05 to apply to any failure of the contingency to occur and any such extension or revocation. Each such Lender may exercise such option by giving written notice to the Borrower and the Administrative Agent of its election to do so on or before 5:00 p.m., New York City time, on the third Business Day prior to the Required Prepayment Date (it being understood that any Lender which does not notify the Borrower and the Administrative Agent of its election to exercise such option on or before the third Business Day prior to the Required Prepayment Date shall be deemed to have elected, as of such date, not to exercise such option). On the Required Prepayment Date, (i) the Borrower shall pay to the Administrative Agent an amount equal to that portion of the Waivable Mandatory Prepayment that is payable to those Lenders that have elected not to exercise such option, to prepay the Loans of such Lenders (which prepayment shall be applied in accordance with the terms of this Section 2.05), and (ii) the portion of the Waivable Mandatory Prepayment otherwise payable to Lenders that have elected to exercise such option (“Declined Proceeds”) may be retained by the Borrower to be used for any purpose not prohibited hereunder.

Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(c) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

2.09 Fees.

(a) Agency Fee. The Borrower shall pay to each Agent for its own account, in Dollars, fees in the amounts and at the times specified in the Agency Fee Letter. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever.

(b) Upfront Fee. The Borrower shall pay to the Administrative Agent (i) on the Closing Date for the account of each Initial Term Lender, as fee compensation for the funding of such Initial Term Lender's Initial Term Loan, an upfront fee in an amount equal to 3.00% of the aggregate principal amount of such Initial Term Lender's Initial Term Loan Commitment, payable to such Initial Term Lender from the proceeds of its Initial Term Loan on the Closing Date, and (ii) on the Delayed Draw Funding Date for the account of each Delayed Draw Term Lender, as fee compensation for the funding of such Delayed Draw Term Lender's Delayed Draw Term Loan, an upfront fee in an amount equal to 3.00% of the aggregate principal amount of such Delayed Draw Term Lender's Delayed Draw Term Loan Commitment, payable to such Delayed Draw Term Lender from the proceeds of its Delayed Draw Term Loan on the Delayed Draw Funding Date. Such upfront fees will be in all respects fully earned, due and payable upon the funding of the Initial Term Loans or the Delayed Draw Term Loans, as the case may be, and shall be non-refundable and non-creditable thereafter.

(c) Put Option Premium. The Borrower shall pay to each Backstop Lender (or any Affiliate, or any affiliated investment fund, investment vehicle or entity that is managed, advised or sub-advised by such Backstop Lender or such Affiliate, in each case, designated by such Backstop Lender in writing to the Administrative Agent) a put option premium in an amount equal to 5.0% of the aggregate principal amount of such Backstop Lender's Backstop Commitments (as in effect immediately prior to the funding of Initial Term Loans), which shall be due on the Plan Effective Date and payable in the form of New Common Equity at a 35% discount to the Stated Equity Value, subject to dilution for the Management Incentive Plan; provided, however, that, after the exercise of remedies provided for in Section 8.02 (or after the Loans have automatically become immediately due and payable) upon the occurrence of any Event of Default under this Agreement or upon repayment of the Loans in full and termination of all Commitments without the occurrence of the Plan Effective Date, the Borrower shall pay to each Backstop Lender (or any Affiliate, or any affiliated investment fund, investment vehicle or entity that is managed, advised or sub-advised by such Backstop Lender or such Affiliate, in each case, designated by such Backstop Lender in writing to the Administrative Agent) in cash a put option premium in an amount equal to \$10,000,000, ratably in accordance with their Backstop Commitments (as in effect immediately prior to the funding of the Initial Term Loans). Such put option premium will be fully earned in all respects on the Closing Date, and shall be non-refundable and non-creditable thereafter. The Agents shall have no responsibility for the distribution of any New Common Equity to the Backstop Lenders.

(d) Exit Fee. The Borrower shall pay to each Term Lender (or any Affiliate, or any affiliated investment fund, investment vehicle or entity that is managed, advised or sub-advised by such Term Lender or such Affiliate, in each case, designated by such Term Lender in writing to the Administrative Agent) an exit fee in an aggregate amount equal to 1.0% of the aggregate principal amount of the Term Loan Commitment (prior to any funding of Term Loans), which shall be due on the Plan Effective Date, ratably in accordance with Term Loans then outstanding and any unfunded Term Loan Commitments then outstanding, and payable in the form of New Common Equity at a 35%

discount to the Stated Equity Value, subject to dilution for the Management Incentive Plan; provided, however, that, after the exercise of remedies provided for in Section 8.02 (or after the Loans have automatically become immediately due and payable) upon the occurrence of any Event of Default under this Agreement or upon repayment of the Loans in full and termination of all Commitments without the occurrence of the Plan Effective Date, the Borrower shall pay to each Term Lender (or any Affiliate, or any affiliated investment fund, investment vehicle or entity that is managed, advised or sub-advised by such Term Lender or such Affiliate, in each case, designated by such Term Lender in writing to the Administrative Agent) in cash an exit fee in an amount equal to \$2,000,000, ratably in accordance with their Term Loans outstanding at such time. Such exit fees will be fully earned in all respects on the Closing Date, and shall be non-refundable and non-creditable thereafter. The Agents shall have no responsibility for the distribution of any New Common Equity to the Term Lenders.

(e) Delayed Draw Term Loan Commitment Fee. The Borrower shall pay to the Administrative Agent, for the account of each Delayed Draw Term Lender, as fee compensation for such Term Lender's Delayed Draw Term Loan Commitment, a commitment fee (the "Delayed Draw Term Loan Commitment Fee") on the Delayed Draw Term Loan Commitment (whether or not then available) of such Term Lender accruing, during the period commencing from the Closing Date to the Delayed Draw Funding Date, at a rate per annum equal to the 1.00%, payable to such Term Lender from the proceeds of its Delayed Draw Term Loan on the Delayed Draw Funding Date. Such Delayed Draw Term Loan Commitment Fee will be in all respects fully earned, due and payable upon the funding of the Delayed Draw Term Loans, and shall be non-refundable and non-creditable thereafter.

2.10 Computation of Interest and Fees.

(a) All computations of interest for Base Rate Loans, where the rate of interest is calculated on the basis of the Prime Rate, shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed. Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; provided that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.12(a), bear interest for one day. Each determination by an Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

2.11 Evidence of Debt.

(a) The Credit Extensions made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and by the Administrative Agent in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be conclusive absent manifest error of the amount of the Credit Extensions made by the Lenders to the Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender to the Borrower, the Borrower shall execute and deliver a Note to such Lender, which shall evidence such Lender's Loans to the Borrower in addition to such accounts or records. Each Lender may attach schedules to a Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

2.12 Payments Generally; Administrative Agent's Clawback.

(a) General. All payments to be made by the Borrower shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrower hereunder shall be made to the Administrative Agent for the account of the Lenders, to which such payment is owed, at the Administrative Agent's Office in Dollars and in Same Day Funds not later than 2:00 p.m., New York City time, on the date specified herein. The Administrative Agent will promptly distribute to each applicable Lender its Applicable Percentage of such payment in like funds as received by wire transfer to such applicable Lender's Lending Office. All payments received by the Administrative Agent after 2:00 p.m., New York City time, may, in Administrative Agent's discretion, be deemed received on the next succeeding Business Day and

any applicable interest or fee shall continue to accrue. If any payment to be made by the Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

(b) (i) Funding by Lenders; Presumption by Administrative Agent. Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing of Eurocurrency Rate Loans (or, in the case of any Borrowing of Base Rate Loans, prior to 12:00 noon., New York City time, on the date of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with Section 2.02 (or, in the case of a Borrowing of Base Rate Loans, that such Lender has made such share available in accordance with and at the time required by Section 2.02) and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if an applicable Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount in Same Day Funds with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (A) in the case of a payment to be made by such Lender, the Overnight Rate plus any administrative, processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing, and (B) in the case of a payment to be made by the Borrower, the interest rate applicable to Base Rate Loans of the Facility and Type comprising such Borrowing. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Term Loan, included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

(ii) Payments by Borrower; Presumptions by Administrative Agent. Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the applicable Lenders hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the applicable Lenders, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the applicable Lenders, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender, in Same Day Funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent at the Overnight Rate.

A notice of the Administrative Agent to any applicable Lender or the Borrower with respect to any amount owing under this subsection (b) shall be conclusive, absent manifest error.

(c) Failure to Satisfy Conditions Precedent. If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender to the Borrower as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrower by the Administrative Agent because the conditions set forth in Article IV are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall promptly return such funds (in like funds as received from such Lender) to such Lender, without interest.

(d) Obligations of Lenders Several. The obligations of the Lenders hereunder to make Term Loans and to make payments pursuant to Section 10.04(c) are several and not joint. The failure of any Lender to make any Term Loan or to make any payment under Section 10.04(c) on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Term Loan or to make its payment under Section 10.04(c).

(e) Funding Source. Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

2.13 Pro Rata; Sharing of Payments by Lenders. Except as otherwise expressly provided in this Agreement, each payment (including each prepayment) by the Borrower on account of principal of and interest on any Loans shall be allocated by the Administrative Agent pro rata according to the respective outstanding principal amounts of such Loans then held by the respective Lenders. If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of (a) Obligations due and payable to such Lender hereunder and under the other Loan Documents at such time in excess of its ratable share (according to the proportion of (i) the amount of such Obligations due and payable to such Lender at such time to (ii) the aggregate amount of the Obligations due and payable to all Lenders hereunder and under the other Loan Documents at such time) of payments on account of the Obligations due and payable to all Lenders hereunder and under the other Loan Documents at such time obtained by all the Lenders at such time or (b) Obligations owing (but not due and payable) to such Lender hereunder and under the other Loan Documents at such time in excess of its ratable share (according to the proportion of (i) the amount of such Obligations owing (but not due and payable) to such Lender at such time to (ii) the aggregate amount of the Obligations owing (but not due and payable) to all Lenders hereunder and under the other Loan Documents at such time) of payment on account of the Obligations owing (but not due and payable) to all Lenders hereunder and under the other Loan Documents at such time obtained by all of the Lenders at such time, then the Lender receiving such greater proportion shall (a) notify the Administrative Agent of such fact and (b) purchase (for cash at face value) participations in the Loans of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of Obligations then due and payable to the Lenders or owing (but not due and payable) to the Lenders, as the case may be; provided that:

(a) if any such participations or subparticipations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations or subparticipations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(b) the provisions of this Section shall not be construed to apply to (i) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement (ii) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant, other than to the Borrower or any Subsidiary thereof (as to which the provisions of this Section shall apply), (iii) any payments pursuant to the Agency Fee Letter, or (iv) any payments made pursuant to Article III or Section 10.13.

The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

2.14 [Reserved].

2.15 [Reserved].

2.16 [Reserved].

2.17 [Reserved].

2.18 Defaulting Lenders. Notwithstanding anything contained in this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(a) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 10.08 shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to any Agent hereunder; *second*, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of

which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *third*, if so determined by the Administrative Agent and the Borrower, to be held in a deposit account and released pro rata in order to satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement; *fourth*, to the payment of any amounts owing to the Lenders, as a result of any judgment of a court of competent jurisdiction obtained by any Lender, against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; *fifth*, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and *sixth*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if such payment is a payment of the principal amount of any Loans in respect of which such Defaulting Lender has not fully funded its appropriate share, such payment shall be applied solely to pay the Loans of all non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of such Defaulting Lender until such time as all Loans are held by the Lenders pro rata in accordance with the Commitments hereunder. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

A Lender that has become a Defaulting Lender because of an event referenced in the definition of Defaulting Lender may cure such status and shall no longer constitute a Defaulting Lender as a result of such event when (i) such Defaulting Lender shall have fully funded or paid, as applicable, all Loans or other amounts required to be funded or paid by it hereunder as to which it is delinquent (together, in each case, with such interest thereon as shall be required to any Person as otherwise provided in this Agreement), (ii) the Administrative Agent and each of the Borrower shall have received a certification by such Defaulting Lender of its ability and intent to comply with the provisions of this Agreement going forward, and (iii) each of the Administrative Agent and the Borrower shall have determined (and notified the Administrative Agent) that they are satisfied, in their sole discretion, that such Defaulting Lender intends to continue to perform its obligations as a Lender hereunder and has all approvals required to enable it, to continue to perform its obligations as a Lender hereunder. No reference in this subsection to an event being "cured" shall by itself preclude any claim by any Person against any Lender that becomes a Defaulting Lender for such damages as may otherwise be available to such Person arising from any failure to fund or pay any amount when due hereunder or from any other event that gave rise to such Lender's status as a Defaulting Lender.

2.19 Priority and Liens; No Discharge.

(a) The relative priorities of the Liens with respect to the Collateral shall be as set forth in the Interim Order (and, when entered, the Final Order). Notwithstanding anything to the contrary in this Agreement or in any Loan Document, all of the Liens described herein shall be effective and perfected upon entry of the Interim Order without the necessity of the execution or recordation of filings by the Debtors of security agreements, mortgages, control agreements, pledge agreements, financing statements or other similar documents, or the possession or control by the Collateral Agent, as applicable, of, or over, any Collateral, as set forth in the Interim Order and, when entered, the Final Order.

(b)

(i) Each Loan Party that is a Debtor hereby confirms and acknowledges that, pursuant to the Interim Order (and, when entered, the Final Order), the Liens in favor of the Collateral Agent on behalf of and for the benefit of the Secured Parties in all of the Collateral and the proceeds thereof, which includes, without limitation, all of such Debtor's Real Properties (other than Excluded Assets), now existing or hereafter acquired, shall be created and perfected without the recordation or filing in any land records or filing offices of any mortgage, assignment or similar instrument.

(ii) Further to Section 2.19(b)(i) and the Interim Order (and, when entered, the Final Order), subject to Section 2.19(b)(iv) below, to secure the full and timely payment and performance of the Obligations, each Loan Party that is a Debtor hereby MORTGAGES, GRANTS, BARGAINS, ASSIGNS, SELLS, CONVEYS and CONFIRMS, to the Collateral Agent, for the ratable benefit of the Secured Parties, all or any Real Properties (in any case, excluding any Real Properties that are Excluded Assets), but which, for the avoidance of doubt, shall include all of such Loan Party's right, title and interest now or hereafter acquired in and to (a) any and all easements, rights-of-

way, reversions, sidewalks, strips and gores of land, drives, roads, curbs, streets, ways, alleys, passages, passageways, sewer rights, waters, water courses, water rights, mineral, gas and oil rights, as-extracted collateral and all power, air, light and other rights, estates, titles, interests, privileges, liberties, servitudes, licenses, tenements, hereditaments and appurtenances whatsoever, in any way belonging, relating or appertaining thereto, or any part thereof, or which hereafter shall in any way belong, relate or be appurtenant thereto; (b) the lessee's interest and estate in, to and under any leases and subleases to which such Loan Party is a party (as such leases and subleases may be extended, amended, supplemented, modified or restated), together with any and all easements, rights-of-way, reversions, sidewalks, strips and gores of land, drives, roads, curbs, streets, ways, alleys, passages, passageways, sewer rights, waters, water courses, water rights, mineral, gas and oil rights, as-extracted collateral and all power, air, light and other rights, estates, titles, interests, privileges, liberties, servitudes, licenses, tenements, hereditaments and appurtenances whatsoever, in any way demised under such leases and subleases; (c) any and all tipples, loading and coal washing facilities, railroad tracks, buildings, foundations, structures and other fixtures and improvements and any and all alterations and all materials now or hereafter intended for construction, reconstruction or repair thereof; (d) any and all permits, certificates, authorizations, consents, approvals, licenses, franchises, waivers or other instruments now or hereafter required by any Governmental Authority to operate or use and occupy the Real Properties and related assets for its intended uses; (e) all materials, supplies, equipment, apparatus and other items of personal property now owned or hereafter acquired by such Loan Party, and water, gas, electrical, telephone, storm and sanitary sewer facilities and all other utilities whether or not situated in easements or used or useful in connection with mining coal or other minerals or in connection with any related activities or the maintenance or preservation thereof; (f) all goods, accounts, general intangibles, instruments, documents, chattel paper, as-extracted collateral and all other personal property of any kind or character, including such items of personal property as defined in the UCC; (g) all reserves, escrows or impounds and all deposit accounts; (h) such Loan Party's right, title and interest as lessor, landlord, sublessor, sublandlord, franchisor, licensor or grantor, in all leases and subleases (including, without limitation, intercompany leases) of land or improvements, leases and subleases of space, oil, gas and mineral leases, franchise agreements, licenses, occupancy or concession agreements or other agreements which grant to any Person (other than such Loan Party) a possessory interest in, or the right to use any Real Properties, including, all rents, additional rents, royalties, cash, guaranties, letters of credit, bonds, sureties or securities deposited thereunder to secure performance of the lessee's, sublessee's, franchisee's, licensee's or obligee's obligations thereunder, revenues, earnings, profits and income, advance rental or royalties, payments, payments incident to assignment, sublease or surrender of a lease, claims for forfeited deposits and claims for damages, now due or hereafter to become due, with respect to any lease, any indemnification against, or reimbursement for, sums paid and costs and expenses incurred by such Loan Party under any lease or otherwise, and any award in the event of the bankruptcy of any tenant or lessee under or guarantor of a lease; (i) all other agreements, such as construction contracts, architects' agreements, engineers' contracts, utility contracts, maintenance agreements, management agreements, service contracts, listing agreements, guaranties, warranties, permits, licenses, certificates and entitlements in any way relating to the construction, use, occupancy, operation, maintenance, enjoyment or ownership of any Real Properties; (j) all rights, privileges, tenements, hereditaments, rights-of-way, easements, appendages and appurtenances appertaining to the foregoing; (k) all property tax refunds payable to such Loan Party; (l) all accessions, replacements and substitutions for any of the foregoing and all proceeds thereof; (m) all insurance policies, unearned premiums therefor and proceeds from such policies covering any of the above property now or hereafter acquired by such Loan Party; and (n) any awards, damages, remunerations, reimbursements, settlements or compensation heretofore made or hereafter to be made by any Governmental Authority pertaining to the Real Properties (BUT EXCLUDING from the foregoing grants, Excluded Assets), TO HAVE AND TO HOLD to the Collateral Agent, and such Loan Party does hereby bind itself, its successors and assigns to WARRANT AND FOREVER DEFEND the title to such property, assets and interests unto the Collateral Agent.

(iii) Each Loan Party that is a Debtor further agrees that upon the request of the Collateral Agent (acting at the direction of the Required Lenders), such Loan Party shall execute and deliver to the Collateral Agent, as soon as reasonably practicable following such request but in any event within 45 days following such request (or such later date as may be extended by the Collateral Agent), with respect to Real Properties owned or leased by such Loan Party (in any case, excluding any Real Properties that are Excluded Assets) and identified by the Collateral Agent, the applicable Loan Party shall deliver:

1. fully executed and notarized Mortgages, in proper form for recording in all appropriate places in all applicable jurisdictions, encumbering each such Real Properties, and any ancillary deliverables as reasonably requested by the Collateral Agent (including, without

limitation, memoranda of leases in recordable form, duly executed by the applicable landlord and Loan Party);

2. an opinion of counsel (which counsel shall be reasonably satisfactory to Collateral Agent) in each state in which each such Real Property is located with respect to the enforceability of the form(s) of Mortgages to be recorded in such state and such other matters as Collateral Agent may reasonably request, in each case in form and substance reasonably satisfactory to Collateral Agent; and
3. (A) a completed Flood Certificate with respect to any Real Property that constitutes Collateral and that is improved with structures eligible for flood insurance under the Flood Program, which Flood Certificate shall (x) be addressed to the Collateral Agent and (y) otherwise comply with the Flood Program; (B) if the Flood Certificate states that such Real Property is located in a Flood Zone, Debtor's written acknowledgment of receipt of written notification from the Collateral Agent (x) as to the existence of each such Real Property and (y) as to whether the community in which such Real Property is located is participating in the Flood Program; and (C) if such Real Property is located in a Flood Zone and is located in a community that participates in the Flood Program, evidence that Debtor has obtained a policy of flood insurance that is in compliance with all applicable requirements of the Flood Program.

(iv) Each of the Loan Parties agrees that to the extent that its Obligations have not been Paid in Full, (i) its obligations shall not be discharged by any order confirming a Reorganization Plan (and each of the Loan Parties, pursuant to Section 1141(d)(4) of the Bankruptcy Code, hereby waives any such discharge) and (ii) the Superpriority Claim granted to the Secured Parties pursuant to the Orders and the Liens granted to the Secured Parties pursuant to the Orders shall not be affected in any manner by any order confirming a Reorganization Plan; *provided* that such Obligations shall be discharged upon such Payment in Full, and such Obligations may be otherwise treated in accordance with an Acceptable Plan and such treatment will provide for the discharge of the Obligations arising hereunder if so provided by such Acceptable Plan.

ARTICLE III TAXES, YIELD PROTECTION AND ILLEGALITY

3.01 Taxes.

(a) Payments Free of Taxes. Any and all payments by or on account of any Loan Party hereunder or under any other Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable Law. If any applicable Law (as determined in the good faith discretion of the applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 3.01(a)) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Payment of Other Taxes by the Borrower. Without duplication of any obligation set forth in subsection (a) above, the Loan Parties shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of any Other Taxes.

(c) Indemnification by the Borrower. The Loan Parties shall jointly and severally indemnify each Recipient within 10 days after written demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient, or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered

to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of an applicable Lender, shall be conclusive absent manifest error.

(d) Evidence of Payments. As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section 3.01, the applicable Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to any payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times prescribed by applicable Law and from time to time when reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation prescribed by applicable Law or reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements.

(ii) Without limiting the generality of the foregoing,

(A) any Lender that is not a Foreign Lender shall deliver to the Borrower and Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter as prescribed by applicable Law or upon the reasonable request of the Borrower or the Administrative Agent), duly completed and executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender, to the extent it is legally entitled to do so, shall deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of any Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, duly completed and executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “interest” article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “business profits” or “other income” article of such tax treaty;

(2) duly completed and executed copies of IRS Form W-8ECI or IRS Form W-8EXP;

(3) in the case of any Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit M-1 to the effect that such Foreign Lender is not (A) a “bank” within the meaning of Section 881(c)(3)(A) of the Code, (B) a “10 percent shareholder” of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or (C) a “controlled foreign corporation” related to a Loan Party as described in Section 881(c)(3)(C) of the Code (a “U.S. Tax Compliance Certificate”) and (y) duly completed and executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable;

(4) to the extent any Foreign Lender is not the beneficial owner, duly completed and executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8EXP, IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, a U.S. Tax Compliance Certificate substantially in the form of Exhibit M-2 or Exhibit M-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit M-4 on behalf of each such direct and indirect partner;

(C) in addition, any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), duly completed and executed copies of any other form prescribed by applicable Law as a basis for claiming exemption from or a reduction in United States federal withholding Tax duly completed and executed together with such supplementary documentation as may be prescribed by applicable Law to permit the Borrower or Administrative Agent to determine the withholding or deduction required to be made; provided, that notwithstanding anything to the contrary in this Section 3.01(e); the completion, execution and submission of the documentation described in this subclause 3.01(e)(ii)(C) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender; and

(D) if a payment made to a Lender under any Loan Document would be subject to Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or Section 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times as prescribed by Law and at such time or times as reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for the purposes of this subclause 3.01(e)(ii)(D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(f) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 3.01 (including by the payment of additional amounts pursuant to this Section 3.01), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (f) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority), in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (f), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (f) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying or any other Person.

(g) **Survival.** Each party's obligations under this Section 3.01 shall survive the resignation or replacement of any Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments, the repayment, satisfaction or discharge of all obligations under any Loan Document, and the termination of this Agreement.

3.02 Illegality. If any Lender determines that as a result of any Change in Law it becomes unlawful, or that any Governmental Authority asserts that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund Eurocurrency Rate Loans, or to determine or charge interest rates based upon the Eurocurrency Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the applicable interbank market, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, (a) any obligation of such Lender to make or continue Eurocurrency Rate Loans or to convert Base Rate Loan to Eurocurrency Rate Loans, shall be suspended and (b) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans the interest rate on which is determined by reference to the Eurocurrency Rate component of the Base Rate, the interest rate on Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurocurrency Rate component of the Base Rate, in each case, until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (i) the Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or convert all such Eurocurrency Rate Loans of such Lender to Base Rate Loans (the interest rate on Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurocurrency Rate component of the Base Rate), either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurocurrency Rate Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Eurocurrency Rate Loans and (ii) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the Eurocurrency Rate, the Administrative Agent shall during the period of such suspension compute the Base Rate applicable to such Lender without reference to the Eurocurrency Rate component thereof until the Administrative Agent is advised in writing by such Lender, which it shall do as promptly as possible, that it is no longer illegal for such Lender to determine or charge interest rates based upon the Eurocurrency Rate. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

3.03 Inability to Determine Rates

(a) If the Administrative Agent determines that for any reason in connection with any request for a Eurocurrency Rate Loan or a conversion to or continuation thereof that (i) adequate and reasonable means do not exist for determining the Eurocurrency Rate for any requested Interest Period with respect to a proposed Eurocurrency Rate Loan, or (ii) the Eurocurrency Rate for any requested Interest Period with respect to a proposed Eurocurrency Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Eurocurrency Rate Loan, the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain Eurocurrency Rate Loans in the affected currency or currencies shall be suspended and (y) in the event of a determination described in the preceding sentence with respect to the Eurocurrency Rate component of the Base Rate, the utilization of the Eurocurrency Rate component in determining the Base Rate shall be suspended, in each case, until the Administrative Agent (upon the instruction of the Required Lenders, who agree to so instruct the Administrative Agent once the circumstances giving rise to the inability to determine rates no longer exist) revokes such notice. Upon receipt of such notice, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurocurrency Rate Loans or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans in the amount specified therein.

(b) If at any time the Administrative Agent determines (which determination shall be conclusive absent manifest error) that (i) the circumstances set forth in Section 3.03(a)(i) have arisen and such circumstances are unlikely to be temporary or (ii) the circumstances set forth in Section 3.03(a)(i) have not arisen but the supervisor for the administrator of the Eurocurrency Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which the Eurocurrency Rate shall no longer be used for determining interest rates for loans, then the Administrative Agent and the Borrower shall endeavor to establish an alternate rate of interest to the Eurocurrency Rate that (x) gives due consideration to the then prevailing market convention for determining a rate of interest for syndicated loans of similar type in the United States at such time, and (y) is a rate that the Administrative Agent is able to calculate and administer, and the Borrower and the

Administrative Agent shall enter into an amendment to this Agreement to effectuate such alternate rate of interest and such other changes to this Agreement as may be necessary or desirable in connection therewith. Notwithstanding anything to the contrary in Section 10.01, such amendment shall become effective without any further action or consent of any other party to this Agreement so long as the Administrative Agent shall not have received, within five Business Days of the date that notice of such alternate rate of interest is provided to the Lenders, a written notice from the Required Lenders stating that the Required Lenders object to such amendment. Until an alternate rate of interest shall be determined in accordance with this paragraph (b) (but in the case of the circumstances described in Section 3.03(b)(ii), only to the extent the Eurocurrency Rate is not available or published at such time on a current basis), Sections 3.03(a)(i) and (ii) shall be applicable.

3.04 Increased Costs; Reserves on Eurocurrency Rate Loans.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement reflected in the Eurocurrency Rate contemplated by Section 3.04(e));

(ii) subject any Recipient to Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Eurocurrency Rate Loans made by such Lender or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Eurocurrency Rate Loan (or of maintaining its obligation to make any such Loan), or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or any other amount) then, upon written request of such Lender setting forth in reasonable detail such increased costs, the Borrower will pay to such Lender, as the case may be, such additional amount or amounts as will compensate such Lender, as the case may be, for such additional costs incurred or reduction suffered; provided that before making any such demand, each Lender agrees to use reasonable efforts (consistent with its internal policy and legal and regulatory restrictions and so long as such efforts would not be materially disadvantageous to it, in its reasonable discretion, in any legal, economic or regulatory manner) to designate a different Eurocurrency lending office if the making of such designation would allow the Lender or its Eurocurrency lending office to continue to perform its obligation to make Eurocurrency Rate Loans or to continue to fund or maintain Eurocurrency Rate Loans and avoid the need for, or reduce the amount of, such increased cost.

(b) Capital Requirements. If any Lender reasonably determines that any Change in Law affecting such Lender or any Lending Office of such Lender or such Lender's holding company, if any, regarding capital requirements has the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by such Lender, to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time, after submission to the Borrower (with a copy to the Administrative Agent) of a written request therefor setting forth in reasonable detail the change and the calculation of such reduced rate of return, the Borrower will pay to such Lender, such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in subsection (a) or (b) of this Section, describing the basis therefor and showing the calculation thereof in reasonable detail, and delivered to the Borrower shall be conclusive, absent manifest error. The Borrower shall pay such Lender, as the case may be, the amount shown as due on any such certificate within 30 days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to the foregoing provisions of this Section shall not constitute a waiver of such Lender's right to demand such compensation, provided that the Borrower shall not be required to compensate a Lender pursuant to the foregoing provisions of this Section for any increased costs incurred or reductions suffered more than 90 days prior to the date that such Lender, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 90-day period referred to above shall be extended to include the period of retroactive effect thereof).

(e) Additional Reserve Requirements. The Borrower shall pay to each Lender, (i) as long as such Lender shall be required to maintain reserves with respect to liabilities or assets consisting of or including Eurocurrency funds or deposits (currently known as "Eurocurrency liabilities"), additional interest on the unpaid principal amount of each Eurocurrency Rate Loan equal to the actual costs of such reserves allocated to such Loan by such Lender (as reasonably determined by such Lender in good faith, which determination shall be conclusive, absent manifest error), and (ii) as long as such Lender shall be required to comply with any reserve ratio requirement or analogous requirement of any other central banking or financial regulatory authority imposed in respect of the maintenance of the Commitments or the funding of the Eurocurrency Rate Loans, such additional costs (expressed as a percentage per annum and rounded upwards, if necessary, to the nearest five decimal places) equal to the actual costs allocated to such Commitment or Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive, absent manifest error), which in each case shall be due and payable on each date on which interest is payable on such Loan, provided the Borrower shall have received at least 10 Business Days' prior notice (with a copy to the Administrative Agent) of such additional interest or costs from such Lender describing the basis therefor and showing the calculation thereof, in each case, in reasonable detail. If a Lender fails to give notice 10 Business Days prior to the relevant Interest Payment Date, such additional interest or costs shall be due and payable within 30 days from receipt of such notice.

(f) Certain Rules Relating to the Payment of Additional Amounts. If any Lender requests compensation pursuant to this Section 3.04, or the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, such Lender shall either (A) forego payment of such additional amount from the Borrower or (B) reasonably afford the Borrower the opportunity to contest, and reasonably cooperate with the Borrower in contesting, the imposition of any Indemnified Taxes or other amounts giving rise to such payment; provided that the Borrower shall reimburse such Lender for its reasonable and documented out-of-pocket costs, including reasonable and documented attorneys' and accountants' fees and disbursements incurred in so cooperating with the Borrower in contesting the imposition of such Indemnified Taxes or other amounts.

3.05 Compensation for Losses. Upon demand of any Lender (with a copy to the Administrative Agent) from time to time, the Borrower shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense incurred by it as a result of:

(a) any continuation, conversion, payment or prepayment of any Loan other than a Base Rate Loan on a day other than the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);

(b) any failure by the Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Loan other than a Base Rate Loan on the date or in the amount notified by the Borrower;

(c) [reserved]; or

(d) any assignment of a Eurocurrency Rate Loan on a day other than the last day of the Interest Period therefor as a result of a request by the Borrower pursuant to Section 10.13;

including any foreign exchange losses and any loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain such Loan, from fees payable to terminate the deposits from which such funds were obtained

or from the performance of any foreign exchange contract, but excluding any loss of anticipated profits. The Borrower shall also pay any customary administrative fees charged by such Lender in connection with the foregoing.

For purposes of calculating amounts payable by the Borrower to the Lenders under this Section 3.05, each Lender shall be deemed to have funded each Eurocurrency Rate Loan made by it at the Eurocurrency Rate used in determining the Eurocurrency Rate for such Loan by a matching deposit or other borrowing in the offshore interbank market for such currency for a comparable amount and for a comparable period, whether or not such Eurocurrency Rate Loan was in fact so funded.

3.06 Mitigation Obligations; Replacement of Lenders.

(a) Designation of a Different Lending Office. If any Lender requests compensation under Section 3.04, or the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, then such Lender shall (i) use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (A) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 3.02, as applicable, and (B) in each case, would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender, as applicable, and (ii) promptly inform the Borrower and the Administrative Agent when the circumstances giving rise to the applicability of such Sections no longer exists. The Borrower hereby agrees to pay all reasonable and documented costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) Replacement of Lenders. If any Lender requests compensation under Section 3.04, if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, if any Lender gives a notice pursuant to Section 3.02 or if any Lender is at such time a Defaulting Lender, then the Borrower may replace such Lender in accordance with Section 10.13.

3.07 Survival. The parties' obligations under this Article III shall survive the resignation or replacement of any Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments, the repayment, satisfaction or discharge of all obligations under any Loan Document, and the termination of this Agreement.

provided, however, that upon the occurrence of an actual or deemed entry of an order for relief with respect to the Borrower under Debtor Relief Laws of the United States or any other Event of Default under Section 8.01(f) or (g) hereof, the obligation of each Lender to make Loans shall automatically terminate and the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid shall automatically become due and payable without further act of the Administrative Agent or any Lender.

8.03 [Reserved].

8.04 Application of Funds. Except with respect to Section 9.06 and Section 9.10, the provisions of this Article are solely for the benefit of the Administrative Agent, the Lenders and the Designated Coal Contract Counterparties, as the case may be, and neither the Borrower, nor any other Loan Party shall have rights as a third party beneficiary of any of such provisions. In performing its functions and duties hereunder, the Administrative Agent shall act solely as an agent of the Lenders and the Designated Coal Contract Counterparties, and does not assume and shall not be deemed to have assumed any obligation towards or relationship of agency or trust with or for the Borrower or any of its Subsidiaries.

(b) Each of the Lenders and the Designated Coal Contract Counterparties hereby irrevocably appoints Cortland Capital Market Services LLC to act on its behalf as the Collateral Agent hereunder and under the other Loan Documents for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. 9.02 Rights as a Lender. The agency hereby created shall in no way impair or affect any of the rights and powers of, or impose any duties or obligations upon, any Agent in its individual capacity as a Lender hereunder. With respect to its participation in the Loans, the Person serving as an Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as an Agent hereunder in its individual capacity. 9.03 Exculpatory Provisions. No Agent shall have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, no Agent:

(c) shall, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as an Agent or any of its Affiliates in any capacity;

(d) shall be responsible or have any liability for or in connection with, or have any duty to ascertain, inquire into, monitor, maintain, update or enforce, compliance with the provisions hereof relating to Disqualified Institutions; and without limiting the generality of the foregoing, no Agent shall (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Disqualified Institution or (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Institution;

(e) neither any Agent nor any of its Related Parties shall be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as such Agent shall believe in good faith shall be necessary, under the circumstances as provided in Section 10.01) or (ii) in the absence of its own gross negligence or willful misconduct, as determined by a final, non-appealable judgment of a court of competent jurisdiction (which shall not include any action taken or omitted to be taken in accordance with clause (i), for which such Agent shall have no liability);

(f) shall be deemed to have knowledge of any Default or Event of Default unless and until written notice describing such Default and is labeled a "Notice of Default" is given to such Agent by the Borrower or a Lender; or

(g) shall be responsible for or have any duty to ascertain or inquire into (i) any recital, statement, warranty or representation made in or in connection with this Agreement, any other Loan Document, or any Coal Contract, or made in any written or oral statements made in connection with the Loan Documents, any Coal Contract, and the transactions contemplated thereby, (ii) the contents of any financial or other statements, instruments, certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, whether made by such Agent to the Lenders or by or on behalf of any Loan Party to such Agent or any Lender in connection with the Loan Documents and the transactions contemplated thereby, (iii) the financial condition or business affairs of any Loan Party or any other Person liable for the payment of any Obligations, (iv) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the use of proceeds of the Loans or the occurrence or possible occurrence of any Default or Event of Default or to make any disclosures with respect to the foregoing, (v) the execution, validity, enforceability, effectiveness, genuineness, collectability or sufficiency of this Agreement, any other Loan Document, any Coal Contract, or any other agreement, instrument or document or the creation, preservation, perfection, maintenance of perfection, or priority of any Lien purported to be created by the Loan Documents or any Coal Contract, (vi) the value or the sufficiency of any Collateral, (vii) whether the Collateral exists, is owned by Borrower or its Subsidiaries, is cared for, protected, or insured or has been encumbered, or meets the eligibility criteria applicable in respect thereof, or (viii) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to such Agent.

Anything contained herein to the contrary notwithstanding, no Agent shall have any liability arising from confirmation of the amount of outstanding Loans or the component amounts thereof.

For the avoidance of doubt, and without limiting the other protections set forth in this Article 9, with respect to any determination, designation, or judgment to be made by the Administrative Agent or the Collateral Agent herein or in the other Loan Documents, the Administrative Agent or the Collateral Agent, as applicable, shall be entitled to request that the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as such Agent shall believe in good faith shall be necessary, under the circumstances as provided in Section 10.01) make or confirm such determination, designation, or judgment.

No Agent shall be responsible or have any liability for or in connection with, or have any duty to ascertain, inquire into, monitor, maintain, update or enforce compliance with the provisions hereof relating to Coal Contracts. No Agent shall be deemed to have notice of any Secured Designated Coal Contract Obligations unless such Agent has received written notice of such Secured Designated Coal Contract Obligations, together with such supporting documentation as such Agent may request, from the applicable Designated Coal Contract Counterparty.

9.04 Reliance by Agents. Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. Each Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, each Agent may presume that such condition is satisfactory to such Lender unless such Agent shall have received written notice to the contrary from such Lender prior to the making of such Loan and such Lender shall have not made its ratable portion of such Loan available to the Administrative Agent. Each Agent shall be entitled to rely on and may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

9.05 Delegation of Duties. Each Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more co-agents, sub-agents and attorneys-in-fact appointed by such Agent. Each Agent and any such co-agent, sub-agent and attorney-in-fact may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The rights, privileges, protections, immunities, and indemnities of this Article and Section 10.04 shall apply to any such co-agent, sub-agent or attorney-in-fact and to the Related Parties of such Agent and any such co-agent, sub-agent or attorney-in-fact, and shall apply to each of their respective activities in such capacities as if such co-agent, sub-agent or attorney-in-fact and Related Parties were named herein. Notwithstanding anything herein to the contrary, with respect to each co-agent, sub-agent or attorney-in-fact appointed by any Agent, (i) such co-agent, sub-agent or attorney-in-fact shall be a third party beneficiary under this Agreement with respect to all rights, privileges, protections, immunities, and indemnities of this Article and Section 10.04 and shall have all of the rights and benefits of a third party beneficiary, including an independent right of action to enforce such rights, privileges, protections, immunities, and indemnities of this Article and Section 10.04 directly, without the consent or joinder of any other Person, against any or all Loan Parties and the Lenders, (ii) rights, privileges, protections, immunities, and indemnities of this Article and Section 10.04 shall not be modified or amended without the consent of such co-agent, sub-agent or attorney-in-fact, and (iii) such co-agent, sub-agent or attorney-in-fact shall only have obligations to such Agent and not to any Loan Party, Lender or any other Person, and no Loan Party, Lender or any other Person shall have any rights, directly or indirectly, as a third party beneficiary or otherwise, against such co-agent, sub-agent or attorney-in-fact. No Agent shall be responsible for the negligence or misconduct of any such co-agents, sub-agents and attorneys-in-fact except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that such Agent acted with gross negligence or willful misconduct in the selection of such co-agents, sub-agents and attorneys-in-fact.

9.06 Resignation of Agent. Each Agent may at any time give notice of its resignation to the applicable Lenders, and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with the approval of the Borrower unless an Event of Default under Section 8.01(f) or (g) has occurred or is continuing

(such approval not to be unreasonably withheld), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation, then the retiring Agent may on behalf of the Lenders, appoint a successor Agent meeting the qualifications set forth above; provided that (x) in no event shall any successor Agent be a Defaulting Lender, a Disqualified Institution or an Affiliated Lender and (y) if such Agent shall notify the Borrower and the applicable Lenders that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (1) the retiring Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the retiring Collateral Agent on behalf of the Lenders under any of the Loan Documents, the retiring Collateral Agent shall continue to hold such collateral security until such time as a successor Collateral Agent is appointed) and (2) all payments, communications and determinations provided to be made by, to or through such retiring Agent shall instead be made by or to each applicable Lender directly, until such time as the Required Lenders appoint a successor Agent as provided for above in this Section. Upon the acceptance of a successor's appointment as an Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Agent, and the retiring Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section). The fees payable by the Borrower to a successor Agent shall be the same as those payable to its applicable predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Agent's resignation hereunder and under the other Loan Documents, the provisions of this Article, Section 10.04, and all other rights, privileges, protections, immunities, and indemnities granted to such Agent hereunder or the other Loan Documents shall continue in effect for the benefit of such retiring Agent, its co-agents, sub-agents and attorneys-in-fact and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Agent was acting as Agent.

9.07 Non-Reliance on Agents and Other Lenders.

(a) Each Lender acknowledges represents and warrants that it has, independently and without reliance upon any Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon any Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

(b) No Agent shall have any duty or responsibility, either initially or on a continuing basis, to make any such investigation or any such analysis on behalf of the Lenders or to provide any Lender with any credit or other information with respect thereto, whether coming into its possession before the making of the Loans or at any time or times thereafter, and no Agent shall have any responsibility with respect to the accuracy of or the completeness of any information provided to the Lenders. Each Lender, by delivering its signature page to this Agreement or an Assignment and Assumption, shall be deemed to have acknowledged receipt of, and consented to and approved, each Loan Document and each other document required to be approved by any Agent, Required Lenders, or Lenders, as applicable, on the Closing Date. Each Lender acknowledges that none of the Agents or their Related Parties have made any representation or warranty to it, and that no act by any Agent or its Related Parties hereinafter taken shall be deemed to constitute any representation or warranty by any Agent or its Related Parties to any Lender. Except for notices, reports, and other documents expressly herein required to be furnished to the Lenders by an Agent, no Agent or any of its Related Parties shall have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of the Borrower or any other Person party to a Loan Document that may come into the possession or control of such Agent or its Related Parties.

9.08 No Other Duties, Etc. Each Agent shall have only those duties and responsibilities that are expressly specified herein for such Agent and the other Loan Documents. Each Agent may exercise such powers, rights and remedies and perform such duties by or through its agents or employees. The duties of each Agent shall be mechanical and administrative in nature; and no Agent shall have, by reason hereof or any of the other Loan Documents, a fiduciary relationship in respect of any Lender or any other Person; and nothing herein or any of the other Loan Documents, expressed or implied, is intended to or shall be so construed as to impose upon such Agent

any obligations in respect hereof or any of the other Loan Documents except as expressly set forth herein or therein. Without limiting the generality of the foregoing, the use of the term “agent” in this Agreement or the other Loan Documents with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only a representative relationship between independent contracting parties.

9.09 [Reserved].

9.10 Guaranty and Collateral Matters.

(a) Each Secured Party hereby and/or by accepting the benefits of the Collateral authorizes each Agent, on behalf of and for the benefit of Secured Parties, to be the agent for and representative of Secured Parties with respect to the Guaranty, the Collateral and the Security Documents, as applicable. Subject to Section 10.01, without further written consent or authorization from any Secured Party, each Agent may execute any documents or instruments necessary to (i) under the circumstances described in clause (A) of Section 10.21(a), confirm or acknowledge that the Liens on the Collateral no longer secure the Obligations, (ii) in connection with a sale or disposition of assets permitted by this Agreement, release any Liens encumbering any item of Collateral that is the subject of such sale or other disposition of assets or to which the Required Lenders (or such other Lenders as may be required to give such consent under Section 10.01) have otherwise consented, (iii) release any Guarantor from the Guaranty pursuant to Section 10.21 or with respect to which Required Lenders (or such other Lenders as may be required to give such consent under Section 10.01) have otherwise consented or (iv) acknowledge and confirm that specified assets of the Loan Parties are Excluded Assets.

(b) The Secured Parties irrevocably authorize the Administrative Agent to release any Guarantor from its obligations under the Guaranty in accordance with the terms of Section 10.21. Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent’s authority to release any Guarantor from its obligations under the Guaranty pursuant to this Section 9.10.

(c) The Secured Parties irrevocably authorize the Collateral Agent to release any Lien on any property granted to or held by the Collateral Agent under any Loan Document in accordance with the terms of Section 10.21. Upon request by the Collateral Agent at any time, the Required Lenders will confirm in writing the Collateral Agent’s authority to release its interest in particular types or items of property in accordance with this Section.

9.11 Withholding Tax. To the extent required by any applicable law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. Without limiting the provisions of Section 3.01 or 3.04, each Lender shall, and does hereby, indemnify the Administrative Agent, and shall make payable in respect thereof within 30 days after demand therefor, against any and all Taxes and any and all related losses, claims, liabilities and expenses (including fees, charges and disbursements of any counsel for the Administrative Agent) incurred by or asserted against the Administrative Agent by the IRS or any other Governmental Authority as a result of the failure of such Administrative Agent to properly withhold tax from amounts paid to or for the account of any applicable Lender for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding tax ineffective), whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any applicable Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due to the Administrative Agent under this Section 9.11. The agreements in this Section 9.11 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments, the repayment, satisfaction or discharge of all obligations under any Loan Document, and the termination of this Agreement.

9.12 Concerning the Collateral and Related Loan Documents. Each Lender authorizes and directs each Agent to enter into, and agrees to be bound by, this Agreement (and to make all representations, warranties, covenants, and agreements on behalf of the Lenders as set forth therein), the Security Documents, and the other Loan

Documents, including, without limitation, each Loan Document to be executed by such Agent and set forth on Schedule 6.18 hereto. Each Lender hereby acknowledges and agrees that (x) the foregoing instructed actions constitute an instruction from all the Lenders under this Section and (y) this Article 9 and Section 10.04 and any other rights, privileges, protections, immunities, and indemnities in favor of any Agent hereunder apply to any and all actions taken or not taken by such Agent in accordance with such instruction. Each Lender agrees that any action taken by the Collateral Agent in accordance with the terms of this Agreement or the other Loan Documents relating to the Collateral and the exercise by the Collateral Agent of its powers set forth therein or herein, together with such other powers that are reasonably incidental thereto, shall be binding upon all of the Lenders.

9.13 Survival. The agreements in this Article 9 shall survive the resignation or replacement of any Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments, the repayment, satisfaction or discharge of all obligations under any Loan Document, and the termination of this Agreement.

ARTICLE X MISCELLANEOUS

10.01 Amendments, Etc. No amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by the Borrower, or any other Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders and the Borrower, or the applicable Loan Party (in each case with a copy to the Agents), as the case may be, and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, however, that no such amendment, waiver or consent shall:

(a) extend or increase the Commitment of any Lender (or reinstate any Commitment terminated pursuant to Section 8.02) without the written consent of such Lender;

(b) postpone any date fixed by this Agreement or any other Loan Document for any payment of principal, interest, fees or other amounts due to the Lenders (or any of them) (it being understood that the waiver of, or amendment to the terms of, any mandatory prepayment shall not constitute such a postponement) without the written consent of each Lender directly affected thereby;

(c) waive, reduce or postpone the principal of, or the stated rate of interest specified herein on, any Loan, or (subject to clause (y) of the first *proviso* after clause Error! Reference source not found. below) any fees or premiums or other amounts payable hereunder without the written consent of each Lender directly affected thereby; provided, however, that, without limiting the effect of clauses **Error! Reference source not found.** below or the proviso directly below, only the consent of the Required Lenders shall be necessary to amend the definition of “Default Rate” or to waive any obligation of the Borrower to pay interest at the Default Rate;

(d) change Section 2.13 or Section 8.04 in a manner that would alter the pro rata sharing of payments required thereby in a manner that by its terms modifies the application of such payments required thereby to be on a non- pro rata basis without the written consent of each affected Lender and affected Designated Coal Contract Counterparty adversely affected thereby;

(e) change the Superpriority Claims status of any Lenders or Designated Coal Contract Counterparty under the Orders or under any Loan Document without the written consent of each such Lender and Designated Coal Contract Counterparty directly and adversely affected thereby;

(f) change any provision of this Section 10.01 or the definitions of “Required Lenders,” or “Applicable Percentage” or any other provision hereof specifying the number or percentage of Lenders required to amend, waive or otherwise modify any rights hereunder or make any determination or grant any consent hereunder without the written consent of each Lender affected thereby; provided, with the consent of the applicable Required Lenders, additional extensions of credit pursuant hereto may be included in the determination of “Required Lenders” or “Applicable Percentage” on substantially the same basis as the Term Loans and the Roll-Up Loans, as applicable, are included on the Closing Date.

(g) other than as permitted by Section 9.10 and Section 10.21, release (i) all or substantially all of the Guarantors from the Guaranty (as measured by value, not by number) or all or substantially all of the Collateral, except as expressly provided in the Loan Documents and except in connection with a “credit bid” undertaken by the Collateral Agent at the direction of the Required Lenders pursuant to Section 363(k), Section 1129(b)(2)(a)(ii) or otherwise of the Bankruptcy Code or other sale or disposition of assets in connection with an enforcement action with respect to the Collateral permitted pursuant to the Loan Documents (in which case only the consent of the Required Lenders will be needed for such release) or (ii) all or substantially all of the Collateral covered by the Security Documents without the written consent of each Lender and each Designated Coal Contract Counterparty, in each case unless the release is permitted hereunder pursuant to Section 10.21; or

(h) change (i) the ratable treatment of Obligations (other than the Secured Designated Coal Contract Obligations) on the one hand and Secured Designated Coal Contract Obligations on other hand, or (ii) the definition of “Coal Contract”, “Designated Coal Contract Counterparty”, “Designated Coal Contract”, “Existing Designated Coal Contract”, “Existing Designated Coal Contract Counterparty,” “Obligations”, “Secured Designated Coal Contract Obligations” or “Secured Obligations” (as defined in this Agreement or any applicable Security Document), in each case of clause (i) and (ii), to the extent any such amendment, waiver or consent would directly and adversely affect the rights or the ratable treatment of any Lender or Designated Coal Contract Counterparty hereunder or in any other Loan Document without the written consent of any such Lender or such Designated Coal Contract Counterparty directly and adversely affected thereby;

provided, that (x) no amendment, waiver or consent shall, unless in writing and signed by the applicable Agent in addition to the Lenders required above, affect the rights or duties of such Agent under this Agreement or any other Loan Document; and (y) any Agency Fee Letter may be amended, or rights or privileges thereunder waived, in a writing executed only by the parties to such Agency Fee Letter. Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except that (i) the Commitment of such Lender may not be increased or extended and (ii) the principal of any Loan owed to such Lender may not be reduced without the consent of such Lender.

Notwithstanding the foregoing, the Borrower and the Agents may amend this Agreement and the other Loan Documents without the consent of any Lender (a) to cure any ambiguity, omission, mistake, error, defect or inconsistency (as reasonably determined by the Borrower in consultation with the Agents), so long as such amendment, modification or supplement does not directly and adversely affect the rights of any Lender or any Designated Coal Contract Counterparty, or the Lenders and Designated Coal Contract Counterparties shall have received at least five (5) Business Days’ prior written notice thereof and the Administrative Agent shall not have received, within five Business Days of the date of such notice to the Lenders and Designated Coal Contract Counterparties, a written notice from the Required Lenders or a Designated Coal Contract Counterparty stating that the Required Lenders or such Designated Coal Contract Counterparty object to such amendment, (b) to add a Guarantor with respect to the Loans or collateral to secure the Loans, (c) to make administrative changes that do not directly and adversely affect the rights of any Lender, (d) to integrate any other Funded Debt of the Borrower and its Subsidiaries that is secured by Liens on the Collateral (or any portion thereof) that rank *pari passu* in right of security with the Liens on the Collateral securing the Obligations or (e) to make technical, administrative or other changes that do not directly and adversely affect the rights of any Lender or Designated Coal Contract Counterparty in respect of provisions relating to the respective rights, roles or responsibilities of the Agents.

The Administrative Agent may, but shall have no obligation to, with the concurrence of any Lender, execute amendments, modifications, waivers or consents on behalf of such Lender. Any waiver or consent shall be effective only in the specific instance and for the specific purpose for which it was given. No notice to or demand on any Loan Party in any case shall entitle any Loan Party to any other or further notice or demand in similar or other circumstances.

Any such waiver and any such amendment or modification pursuant to this Section 10.01 shall apply equally to each of the Lenders and Designated Coal Contract Counterparties and shall be binding upon the Borrower, the Lenders, the Agents, the Designated Coal Contract Counterparties, and all future holders of the Obligations. In the case of any waiver, the Borrower, the Lenders, the Designated Coal Contract Counterparties, and the Agents shall be restored to their former positions and rights hereunder and under the other Loan Documents, and any Default or Event of Default that is waived pursuant to this Section 10.01 shall be deemed to be cured and not continuing during the period of such waiver.

10.02 Notices; Effectiveness; Electronic Communication.

(a) Notices Generally. Except in the case of notices and other communications expressly permitted to be given by telephone, all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail, sent by telecopier (except for any notices sent to any Agent) as follows or sent by electronic communication as provided in subsection (b) below, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to the Borrower or any Agent to the address, telecopier number, electronic mail address or telephone number specified for such Person on Schedule 10.02;

(ii) if to any other Lender, to the address, telecopier number, electronic mail address or telephone number specified on Schedule 10.02 or in its Administrative Questionnaire; and

(iii) if to any Designated Coal Contract Counterparty, to the address, telecopier number, electronic mail address or telephone number specified in Schedule 10.02 or in its Administrative Questionnaire.

Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices sent by telecopier shall be deemed to have been given when sent (except that, if not sent during normal business hours for the recipient, shall be deemed to have been sent at the opening of business on the next business day for the recipient). Notices delivered through electronic communications to the extent provided in subsection (b) below, shall be effective as provided in such subsection (b). Notwithstanding the foregoing, (a) no notice to any Agent shall be effective until received by such Agent and (b) any such notice or other communication shall at the request of such Agent be provided to any co-agent, sub-agent or attorney-in-fact appointed pursuant to Section 9.03(c) as designated by such Agent from time to time.

(b) Electronic Communications. Notices and other communications to any Agent and the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites, including the Platform) pursuant to procedures approved by the Administrative Agent, provided that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Agents or the Borrower may, in their discretion, agree to accept notices and other communications to the Agents or the Borrower hereunder by electronic communications pursuant to procedures approved by the Administrative Agent or the Borrower, as applicable, provided that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgment from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgment), provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(c) The Platform. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE". THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. Each Loan Party understands that the distribution of material through an electronic medium is not necessarily secure and that there are confidentiality and other risks associated with such distribution. In no event shall any Agent or any of its Related

Parties (collectively, the “Agent Parties”) have any liability to the Borrower, any Lender or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower’s or the such Agent’s transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses have resulted from the gross negligence or willful misconduct of such Agent Party, as determined by a final non-appealable judgment of a court of competent jurisdiction; provided, however, that in no event shall the Borrower or any Agent Party have any liability to the Borrower, any Lender or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages); provided that such waiver shall not limit any Loan Party’s reimbursement or indemnification obligations under Sections 10.04(a) or 10.04(b), respectively. Each Loan Party, each Lender, and each Agent agrees that any Agent may, but shall not be obligated to, store any electronic communication on the Platform in accordance with such Agent’s customary document retention procedures and policies.

(d) Defaults. Any notice of Default or Event of Default may be provided by telephone if confirmed promptly thereafter by delivery of written notice thereof.

(e) Change of Address, Etc. The Borrower and any Agent may change its address, electronic mail address, telecopier or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, electronic mail address, telecopier or telephone number for notices and other communications hereunder by notice to the Borrower and the Administrative Agent. In addition, each of the Lender and Designated Coal Contract Counterparties agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, telecopier number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender or such Designated Coal Contract Counterparty, as the case may be.

(f) Reliance by Agents and Lenders. The Agents, the Designated Coal Contract Counterparties and the Lenders shall be entitled to rely and act upon any notices (including telephonic Borrowing Notices) purportedly given by or on behalf of the Borrower, even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. All telephonic notices to and other telephonic communications with any Agent may be recorded by such Agent, and each of the parties hereto hereby consents to such recording.

(g) Private Side Information Contacts. Each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the “Private Side Information” or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender’s compliance procedures and applicable law, including United States federal and state securities laws, to make reference to information that is not made available through the “Public-Side Information” portion of the Platform and that may contain Private-Side Information. In the event that any Public Lender has determined for itself to not access any information disclosed through the Platform or otherwise, such Public Lender acknowledges that (i) other Lenders may have availed themselves of such information and (ii) neither the Borrower nor any Agent has any responsibility for such Public Lender’s decision to limit the scope of the information it has obtained in connection with this Agreement and the other Loan Documents.

10.03 No Waiver; Cumulative Remedies. No failure by any Lender, any Designated Coal Contract Counterparty or any Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall impair such right, remedy, power or privilege or be construed to be a waiver of any default or acquiescence therein; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder or under any other Loan Document preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided and in the other Loan Documents or any of the Designated Coal Contracts are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law. Any forbearance or failure to exercise, and any delay in exercising, any right, power or remedy hereunder shall not impair any such right, power or remedy or be construed to be a waiver thereof, nor shall it preclude the further exercise of any such right, power or remedy.

10.04 Expenses; Indemnity; Damage Waiver.

(a) Costs and Expenses. The Borrower shall pay (i) all reasonable and documented out-of-pocket legal and other expenses incurred by the Agents and their respective Affiliates (including the reasonable and documented fees, charges and disbursements of (x) Ropes & Gray LLP, as primary counsel for the Agents and their Affiliates, (x) Akin Gump Strauss Hauer & Feld LLP and Milbank LLP and Bryan Cave Leighton Paisner LLP, as counsel to the Backstop Lenders, (y) a single local counsel in each relevant jurisdiction and any special counsel reasonably deemed necessary by the Agents, and (z) a single local counsel in each relevant jurisdiction and any special counsel reasonably deemed necessary by the Lenders), in each case, in connection with the preparation, due diligence, negotiation, execution, delivery, administration and enforcement of this Agreement and the other Loan Documents or any amendments, modifications, consents, or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), (ii) [reserved] and (iii) all reasonable and documented out-of-pocket legal and other expenses (including the cost of any investigation or preparation) incurred by any Agent, any Lender or other Secured Party (except that, as to a Designated Coal Contract Counterparty, solely as provided in the applicable Designated Coal Contract) (including the reasonable fees, charges and disbursements of (w) Ropes & Gray LLP, as primary counsel for the Agents and their Affiliates, (x) Akin Gump Strauss Hauer & Feld LLP and Milbank LLP, as counsel to the Backstop Lenders, (y) a single local counsel in each relevant jurisdiction and any special counsel reasonably deemed necessary by the Agents, and (z) a single local counsel in each relevant jurisdiction and any special counsel reasonably deemed necessary by the Lenders and/or the other Secured Parties (and, in the case of an actual or perceived conflict of interest where the Indemnitees affected by such conflict notifies the Borrower of the existence of such conflict, of another firm of counsel for such affected Indemnitees and local counsel for the conflicted party)), in each case, in connection with the enforcement or protection of its rights (A) in connection with this Agreement and the other Loan Documents, including its rights under this Section, or (B) in connection with the Loans made hereunder, including all such reasonable and documented out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans.

(b) Indemnification by the Borrower. The Borrower shall indemnify the Agents (and any co-agent, sub-agent or attorney-in-fact thereof), each Lender, each other Secured Party, and each Related Party of any of the foregoing Persons (each such Person being called an “Indemnatee”) against, and hold each Indemnatee harmless from, any and all losses, claims, damages, liabilities (including any Environmental Liability), obligations, penalties, actions, judgments, and related reasonable and documented out-of-pocket costs, fees and expenses (including the reasonable documented out-of-pocket fees, charges and disbursements of any counsel for any Indemnatee), incurred by any Indemnatee or asserted against any Indemnatee (whether or not such investigation, litigation, claim or proceeding is brought by the Borrower, the Borrower’s equity holders, affiliates or creditors or an Indemnatee and whether or not any such Indemnatee is otherwise a party thereto and without regard to the exclusive or contributory negligence of such Indemnatee) or by the Borrower or any other Loan Party arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder, the consummation of the transactions contemplated hereby or thereby, or, in the case of any Agent (and any co-agent, sub-agent or attorney-in-fact thereof) and its Related Parties only, the administration and enforcement of this Agreement and the other Loan Documents, (ii) any Loan or the use or proposed use of the proceeds therefrom and (iii) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Borrower or any other Loan Party, and regardless of whether any Indemnatee is a party thereto and without regard to the exclusive or contributory negligence of such Indemnatee; provided that such indemnity shall not, as to any Indemnatee, be available to the extent that such losses, claims, damages, liabilities or related expenses are found in a final, non-appealable judgment by a court of competent jurisdiction to (x) have resulted from the gross negligence or willful misconduct of such Indemnatee (or any of such Indemnatee’s controlled affiliates or any of its or their respective officers, directors, employees, agents, controlling persons or members of any of the foregoing) or (y) have arisen out of or in connection with any claim, litigation, loss or proceeding not involving an act or omission of the Borrower or any of its Related Parties and that is brought by an Indemnatee against another Indemnatee (other than any claims against an Indemnatee in its capacity or in fulfilling its role as an Agent or arranger or any similar role under this Agreement or any claims arising out of any act or omission of the Borrower or any of its Affiliates). The Borrower also agrees that no Indemnatee shall have any liability (whether direct or indirect, in contract, tort or whether based on such Indemnatee’s exclusive or contributory negligence or otherwise) to the Borrower for or in connection with this Agreement or the other Loan Documents, any transactions contemplated hereby or thereby or such Indemnitees’ role or services in connection herewith or therewith, except to the extent that any liability for losses, claims, demands, damages, liabilities or expenses incurred by the Borrower resulted from the gross negligence or willful misconduct of such Indemnatee, as determined by a court of

competent jurisdiction in a final, non-appealable judgment. This Section 10.04(b) shall not apply with respect to Taxes other than any taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

(c) Reimbursement and Indemnification by Lenders. To the extent that the Borrower for any reason fails to indefeasibly pay any amount required under subsection (a) or (b) of this Section to be paid by it to the Agents (or any such co-agent, sub-agent or attorney-in-fact thereof) or any Related Party (and without limiting its obligation to do so), each Lender severally agrees to reimburse and indemnify the Agents (or any such co-agent, sub-agent or attorney-in-fact) or such Related Party, as the case may be, with respect to such Lender's Applicable Percentage (determined as of the time that such reimbursement or indemnity is sought), for and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, judgments, costs, expenses or disbursements of whatsoever kind or nature which may be imposed on, asserted against or incurred by any Agent (or any Affiliate thereof) in performing its duties hereunder or under any other Loan Document or in any way relating to or arising out of this Agreement or any other Loan Document; provided that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, claims, actions, judgments, suits, costs, expenses or disbursements resulting from such Agent's (or such Affiliate's) gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision). The obligations of the Lenders under this subsection (c) are subject to the provisions of Section 2.12(d).

(d) Waiver of Consequential Damages, Etc. To the fullest extent permitted by applicable law, no party hereto shall assert, and each hereby waives, any claim against the Borrower and its Affiliates or any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or the use of the proceeds thereof; provided that such waiver shall not limit any Loan Party's reimbursement or indemnification obligations under Sections 10.04(a) or 10.04(b), respectively. No Indemnitee referred to in subsection (b) above or the Borrower and its Affiliates shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby, except to the extent such damages result from the gross negligence or willful misconduct of such Indemnitee.

(e) Payments. All amounts due under this Section shall be payable not later than ten Business Days after written demand therefor accompanied by reasonable documentation with respect to any reimbursement, indemnification or other amount requested.

(f) Survival. The agreements in this Section shall survive the resignation or replacement of any Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments, the repayment, satisfaction or discharge of all obligations under any Loan Document, and the termination of this Agreement. The reimbursement, indemnity and contribution obligations of the Borrower under this Section 10.04 will be in addition to any liability which the Borrower may otherwise have, will extend upon the same terms and conditions to any affiliate of any Indemnitee and the partners, members, directors, agents, employees, and controlling persons (if any), as the case may be, of any Indemnitee and any such affiliate, and will be binding upon and inure to the benefit of any successors and assigns of the Borrower, any Indemnitee, any such affiliate, and any such Person.

10.05 Marshalling; Payments Set Aside. Neither any Agent nor any Lender shall be under any obligation to marshal any assets in favor of any Loan Party or any other Person or against or in payment of any or all of the Obligations. To the extent that any payment by or on behalf of the Borrower is made to the Agents or any Lender, or the Agents or any Lender enforces any security interests or exercises its right of setoff, and such payment or the proceeds of such enforcement or setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Agents or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied, and all Liens, rights and remedies therefor or related thereto, shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to each Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by such Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the applicable Overnight Rate from time to time in effect, in the applicable

currency of such recovery or payment. The obligations of the Lenders under clause (b) of the preceding sentence shall survive Payment in Full and the termination of this Agreement.

10.06 Successors and Assigns.

(a) Successors and Assigns Generally. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that no Loan Party may assign or otherwise transfer any of its rights or obligations hereunder, except through a transaction permitted hereunder, without the prior written consent of the Agents and each Lender, and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an Eligible Assignee in accordance with the provisions of subsection (b) of this Section, (ii) by way of participation in accordance with the provisions of subsection (e) of this Section, (iii) by way of pledge or assignment of a security interest subject to the restrictions of subsection (f) of this Section or (iv) pursuant to the syndication of Loans in accordance with the Restructuring Support Agreement. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in subsection (e) of this Section and, to the extent expressly contemplated hereby, the Related Parties of each of the Agents and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may at any time sell, assign or transfer to one or more Eligible Assignees (and any assignee pursuant to syndication of Loans in accordance with the Restructuring Agreement), upon the giving of notice to the Borrower and the Administrative Agent, all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment(s) and the Loans at the time owing to it or other Obligations); provided that:

(i) except (a) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and the Loans at the time owing to it, which such amount is less than the applicable minimum transfer amount set forth below, (b) in the case of an assignment of Loans in connection with the syndication of Loans contemplated in the Restructuring Support Agreement, or (c) in the case of an assignment to a Lender or an Affiliate of a Lender or an Approved Fund with respect to a Lender, the aggregate amount of the Commitment (which for this purpose includes Loans outstanding thereunder) or, if the Commitment is not then in effect, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent, shall not be less than \$1,000,000 in the case of an assignment of Loans and, unless each of the Administrative Agent and, so long as no Event of Default under Section 8.01(a), (f) or (g) has occurred and is continuing, the Borrower otherwise consents (each such consent not to be unreasonably withheld or delayed); provided that the Borrower shall be deemed to have consented to an assignment of Loans unless it shall have objected thereto by written notice to the Administrative Agent within seven (7) Business Days after having received notice thereof; provided, however, that concurrent assignments to members of an Assignee Group and concurrent assignments from members of an Assignee Group to a single Eligible Assignee (or to an Eligible Assignee and members of its Assignee Group) will be treated as a single assignment for purposes of determining whether such minimum amount has been met;

(ii) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitment assigned;

(iii) [reserved];

(iv) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee in the amount of \$3,500 (provided however, that (i) the Administrative Agent may in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment and (ii) the Administrative Agent does hereby waive such processing and recordation fee in connection with an assignment to an assignee which is already a Lender or is an affiliate or Approved Fund of a Lender or a Person under common management with a Lender) and the Eligible Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire and to the Administrative Agent and the Borrower any such know-your-customer documents, forms, certificate or other evidence, if any, as the assignee under such Assignment and Assumption, including that as may be required to deliver pursuant to Section 3.01;

(v) in connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to any Agent and any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full pro rata share of all Loans in accordance with its Applicable Percentage. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Laws without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs; and

(vi) pro rata assignments shall not be required and each assignment shall be of a uniform, and not varying, percentage of all rights and obligations under and in respect of any applicable Loan and related Commitments.

Subject to acceptance and recording thereof in the applicable Register by the Administrative Agent pursuant to subsection (d) of this Section, from and after the closing date specified in each Assignment and Assumption, the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Section 3.01 (subject to the requirements and limitations therein, including the requirements of Section 3.01(e)), 3.04, 3.05 and 10.04 with respect to facts and circumstances occurring prior to the closing date of such assignment. Upon request, the Borrower (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this subsection shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with subsection (d) of this Section.

Each Lender, upon execution and delivery hereof or upon succeeding to an interest in the Commitments and Loans, as the case may be, represents and warrants as of the Closing Date or as of the effective date of such Assignment and Assumption that (i) it is an Eligible Assignee; (ii) it has experience and expertise in the making of or investing in commitments or loans such as the applicable Commitments or Loans, as the case may be and (iii) it will make or invest in, as the case may be, its Commitments or Loans for its own account in the ordinary course and without a view to distribution of such Commitments or Loans within the meaning of the Securities Act or the Exchange Act or other federal securities laws (it being understood that, subject to the provisions of this Section 10.06, the disposition of such Commitments or Loans or any interests therein shall at all times remain within its exclusive control).

(c) [Reserved].

(d) Register. The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts of (and stated interest on) the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. Any assignment of any Loan, whether or not evidenced by a Note, shall be effective only upon appropriate entries with respect thereto being made in the Register (and each Note shall expressly so provide). The Register shall be available for inspection by the Borrower and each Lender (solely as to the amount of Loans of such Lender) at any reasonable time and from time to time upon reasonable prior written notice.

(e) Participations. Any Lender may at any time, without the consent of, or notice to, the Borrower or any Agent, sell participations to any Person (other than a natural person or the Borrower or any of the Borrower's Affiliates or Subsidiaries) (each, a "Participant") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Agents and the Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement.

Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender, to the extent that it has a consent right hereunder, will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in clauses (a), (b), (c), (g) and (h) of the first proviso to Section 10.01 that affects such Participant (it being understood that a waiver of any Default or Event of Default or of a mandatory reduction in the Commitment shall not constitute a change in the terms of such participation, and that an increase in any Commitment or Loan shall be permitted without the consent of any participant if the participant's participation is not increased as a result thereof). Subject to subsection (e) of this Section, the Borrower agrees that each Participant shall be entitled to the benefits of Section 3.01, 3.04 and 3.05 to the same extent as if it were a Lender and had acquired its interest by assignment, provided, that in the case of Section 3.01, such Participant shall have complied with the requirements of such section (it being understood that the documentation required under Section 3.01(e) shall be delivered to the participating Lender). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.08 as though it were a Lender; such Participant agrees to be subject to Section 2.13 as though it were a Lender.

Each Lender that sells a participation, acting for this purpose as a non-fiduciary agent (solely for tax purposes) of the Borrower, shall maintain a register for the recordation of the names and addresses of the Participants and principal amount of (and stated interest on) each Participant's interest in the Loans or other obligations under this Agreement (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that the relevant parties, acting reasonably and in good faith, determine that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender and each Loan Party shall treat each Person whose name is recorded in the Participant Register pursuant to the terms hereof as the owner of such participation for all purposes of this Agreement, notwithstanding notice to the contrary.

(f) Limitation upon Participant Rights. A Participant shall not be entitled to receive any greater payment under Section 3.01, 3.04 or 3.05 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation.

(g) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note(s), if any) to secure obligations of such Lender to secure obligations to a Federal Reserve Bank or other central bank having jurisdiction over such Lender; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto; provided further, that in no event shall the applicable Federal Reserve Bank, pledgee or trustee, be considered to be a "Lender" or be entitled to require the assigning Lender to take or omit to take any action hereunder.

(h) Electronic Execution of Assignments. The words "execution," "signed," "signature," and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New

York State Electronic Signatures and Records Act, or any other similar state Laws based on the Uniform Electronic Transactions Act.

10.07 Treatment of Certain Information; Confidentiality. Each of the Agents and the Lenders agrees that it will treat as confidential (to the extent clearly identified at the time of delivery as confidential) all information provided to it hereunder or under any other Loan Document by or on behalf of the Borrower or any of its Subsidiaries or Affiliates (collectively, “Information”) in accordance with the Agents’ and the Lenders’ applicable customary procedures for handling confidential information of such nature, except to the extent such Information (a) is publicly available or becomes publicly available other than by reason of disclosure by the Agents or the Lenders, any of their respective affiliates or representatives in violation of this Agreement or the other Loan Documents, (b) was received by the Agents and the Lenders from a source (other than the Borrower or any of its affiliates, advisors, members, directors, employees, agents or other representatives) not known by the Agents and the Lenders to be prohibited from disclosing such Information to such Person by a legal, contractual or fiduciary obligation to the Borrower or (c) was already in the Agents’ and the Lenders’ possession from a source other than the Borrower or any of its affiliates, advisors, members, directors, employees, agents or other representatives or is independently developed by such Person without the use of or reference to any such confidential information; provided, however, that nothing herein will prevent the Agents and the Lenders from disclosing any such Information (including Information regarding Disqualified Institutions) (a) pursuant to the order of any court or administrative agency or in any pending legal or administrative proceeding, or otherwise as required by applicable Law or compulsory legal process (in which case such Person agrees to inform the Borrower promptly thereof to the extent not prohibited by law), (b) upon the request or demand of any regulatory authority or any self-regulatory authority having jurisdiction over such Person or any of its affiliates, (c) to such Person’s affiliates and such Person’s and affiliates’ respective officers, directors, partners, members, employees, affiliated investment funds or investment vehicles, managed, advised or sub-advised accounts, funds or other entities, investment advisors, sub-advisors or managers, legal counsel, independent auditors and other experts or agents who need to know such Information and on a confidential basis and who are informed of the confidential nature of the Information, (d) to existing Lenders and to potential and prospective Agents, Lenders, assignees, participants and any direct or indirect contractual counterparties to Hedging Agreement relating to the Borrower or its obligations under this Agreement, in each case, subject to such recipient’s agreement (which agreement (other than Disqualified Institutions) may be in writing or by “click through” agreement or other affirmative action on the part of the recipient to access such Information and acknowledge its confidentiality obligations in respect thereof pursuant to customary practice) to keep such Information confidential on substantially the terms set forth in this Section 10.07, (e) to ratings agencies who have agreed to keep such Information confidential on terms no less restrictive than this Section 10.07 in any material respect or otherwise on terms acceptable to the Borrower in connection with obtaining ratings of the Loans, (f) for purposes of establishing a “due diligence” defense, (g) on a confidential basis, to the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the Loans, (h) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder or (i) upon Borrower’s prior written consent (which may be by email). In addition, the Agents may disclose the existence of this Agreement and Information about this Agreement to market data collectors, similar service providers to the lending industry, and service providers to the Agents in connection with the administration and management of this Agreement and the other Loan Documents.

Each of the Agents and the Lenders acknowledges that (a) the Information may include material non-public information concerning the Borrower or a Subsidiary, as the case may be, (b) it has developed compliance procedures regarding the use of material non-public information and (c) it will handle such material non-public information in accordance with applicable Laws, including Federal and state securities laws.

10.08 Right of Setoff. In addition to any rights now or hereafter granted under applicable law and not by way of limitation of any such rights, subject to the Orders, upon the occurrence of any Event of Default or at maturity each Lender and its Affiliates is hereby authorized by each Loan Party at any time or from time to time subject to the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed), without notice to any Loan Party or to any other Person (other than the Administrative Agent), any such notice being hereby expressly waived, to set off and to appropriate and to apply any and all deposits (general or special, including Indebtedness evidenced by certificates of deposit, whether matured or unmatured, but not including trust accounts) and any other Indebtedness at any time held or owing by such Lender to or for the credit or the account of any Loan Party against and on account of the obligations and liabilities of any Loan Party to such Lender hereunder, including all claims of

any nature or description arising out of or connected hereto, irrespective of whether or not (a) such Lender shall have made any demand hereunder or (b) the principal of or the interest on the Loans or any other amounts due hereunder shall have become due and payable pursuant to Article II and although such obligations and liabilities, or any of them, may be contingent or unmatured; provided that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Sections 2.18 and 8.04 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender and its Affiliates under this Section 10.08 are in addition to other rights and remedies (including other rights of setoff) that such Lender or its Affiliates may have. Each Lender agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application, provided that the failure to give such notice shall not affect the validity of such setoff and application.

10.09 Usury Savings Clause. Notwithstanding any other provision herein, the aggregate interest rate charged with respect to any of the Obligations, including all charges or fees in connection therewith deemed in the nature of interest under applicable law shall not exceed the Highest Lawful Rate. If the rate of interest (determined without regard to the preceding sentence) under this Agreement at any time exceeds the Highest Lawful Rate, the outstanding amount of the Loans made hereunder shall bear interest at the Highest Lawful Rate until the total amount of interest due hereunder equals the amount of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect. In addition, if when the Loans made hereunder are repaid in full the total interest due hereunder (taking into account the increase provided for above) is less than the total amount of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect, then to the extent permitted by law, the Borrower shall pay to the Administrative Agent an amount equal to the difference between the amount of interest paid and the amount of interest which would have been paid if the Highest Lawful Rate had at all times been in effect. Notwithstanding the foregoing, it is the intention of Lenders and the Borrower to conform strictly to any applicable usury laws. Accordingly, if any Lender contracts for, charges, or receives any consideration which constitutes interest in excess of the Highest Lawful Rate, then any such excess shall be cancelled automatically and, if previously paid, shall at such Lender's option be applied to the outstanding amount of the Loans made hereunder or be refunded to the Borrower.

10.10 Counterparts; Integration. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Delivery of an executed counterpart of a signature page of this Agreement by telecopy or other electronic imaging means (i.e., "pdf" or "tif") shall be effective as delivery of a manually executed counterpart of this Agreement.

10.11 Survival of Representations, Warranties and Agreements. All representations, warranties and agreements made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof and the funding of any Borrowing. Such representations, warranties and agreements have been or will be relied upon by each Agent and each Lender, regardless of any investigation made by any Agent or any Lender or on their behalf and notwithstanding that any Agent or any Lender may have had notice or knowledge of any Default at the time of any Borrowing, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied. Notwithstanding anything herein or implied by law to the contrary, the agreements of each Loan Party set forth in Sections 3.01, 3.04, 3.05, 10.04(a), 10.04(b) and 10.08 and the agreements of Lenders set forth in Sections 2.13, 9.03, 9.12, 10.04(c), and 10.05 shall survive the resignation or replacement of any Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments, the repayment, satisfaction or discharge of all obligations under any Loan Document, and the termination of this Agreement.

10.12 Severability. If any provision of this Agreement or the other Loan Documents or any obligation hereunder or under any other Loan Document is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions or obligations of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal,

invalid or unenforceable provisions or obligations with valid provisions or obligations the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions or obligations. The invalidity of a provision or obligation in a particular jurisdiction shall not invalidate or render unenforceable such provision or obligation in any other jurisdiction.

10.13 Replacement of Lenders. If (a) any Lender requests compensation under Section 3.04, (b) the Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, (c) any Lender is at such time a Defaulting Lender or has given notice pursuant to Section 3.02 or (d) any Lender becomes a “Nonconsenting Lender” (hereinafter defined), then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to (and such Lender shall) assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 10.06), all of its interest, rights (other than its existing rights to payments pursuant to Section 3.01 or 3.04) and obligations under this Agreement and the related Loan Documents to an assignee selected by the Borrower that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment), provided that:

(a) the Administrative Agent shall have received the assignment fee specified in Section 10.06(b) from the Borrower (provided however, that the Administrative Agent may in its sole discretion elect to waive such processing and recordation fee in the case of any assignment);

(b) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 3.05) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts);

(c) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter;

(d) such assignment does not conflict with applicable Laws,

(e) neither any Agent nor any Lender shall be obligated to be or to find the assignee; and

(f) in the case of an assignment resulting from a Lender becoming a Nonconsenting Lender, the applicable assignee shall have consented to the applicable amendment, waiver or consent.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply. In the event that (x) the Borrower or the Administrative Agent has requested the Lenders to consent to a departure or waiver of any provisions of the Loan Documents or to agree to any amendment thereto and (y) the Required Lenders have agreed to such consent, waiver or amendment, then any such Lender, who does not agree to such consent, waiver or amendment and whose consent would otherwise be required for such departure, waiver or amendment, shall be deemed a “Nonconsenting Lender.” Any such replacement shall not be deemed a waiver of any rights that the Borrower shall have against the replaced Lender.

Each Lender agrees that if the Borrower exercises its option hereunder to cause an assignment by such Lender as a Nonconsenting Lender or otherwise pursuant to this Section 10.13, such Lender shall, promptly after receipt of written notice of such election, execute and deliver all documentation necessary to effectuate such assignment in accordance with Section 10.06. In the event that a Lender does not comply with the requirements of the immediately preceding sentence within one Business Day after receipt of such notice, each Lender hereby authorizes and directs the Borrower to execute and deliver such documentation as may be required to give effect to an assignment in accordance with Section 10.06 on behalf of a Nonconsenting Lender or Lender replaced pursuant to this Section 10.13, and any such documentation so executed by the Borrower shall be effective for purposes of documenting an assignment pursuant to Section 10.06.

10.14 Governing Law; Jurisdiction; Etc.

(a) GOVERNING LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER (INCLUDING, WITHOUT LIMITATION, ANY CLAIMS SOUNDING IN CONTRACT LAW OR TORT LAW ARISING OUT OF THE SUBJECT MATTER HEREOF AND ANY DETERMINATIONS WITH RESPECT TO POST-JUDGMENT INTEREST) SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK AND (TO THE EXTENT APPLICABLE) THE BANKRUPTCY CODE, WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPLES THEREOF THAT WOULD RESULT IN THE APPLICATION OF ANY LAW OTHER THAN THE LAW OF THE STATE OF NEW YORK AND (TO THE EXTENT APPLICABLE) THE BANKRUPTCY CODE.

(b) CONSENT TO JURISDICTION. SUBJECT TO CLAUSE (E) OF THE FOLLOWING SENTENCE, ALL JUDICIAL PROCEEDINGS BROUGHT AGAINST ANY PARTY ARISING OUT OF OR RELATING HERETO OR ANY OTHER LOAN DOCUMENTS, OR ANY OF THE OBLIGATIONS, SHALL BE BROUGHT IN THE BANKRUPTCY COURT AND, IF THAT COURT DOES NOT HAVE (OR ABSTAINS FROM) JURISDICTION, ANY FEDERAL COURT OF THE UNITED STATES SITTING IN THE BOROUGH OF MANHATTAN OR, IF THAT COURT DOES NOT HAVE SUBJECT MATTER JURISDICTION, IN ANY STATE COURT LOCATED IN THE CITY AND COUNTY OF NEW YORK. BY EXECUTING AND DELIVERING THIS AGREEMENT, EACH LOAN PARTY, FOR ITSELF AND IN CONNECTION WITH ITS PROPERTIES, IRREVOCABLY (A) ACCEPTS GENERALLY AND UNCONDITIONALLY THE EXCLUSIVE (SUBJECT TO CLAUSE (E) BELOW) JURISDICTION AND VENUE OF SUCH COURTS; (B) WAIVES ANY DEFENSE OF FORUM NON CONVENIENS; (C) AGREES THAT SERVICE OF ALL PROCESS IN ANY SUCH PROCEEDING IN ANY SUCH COURT MAY BE MADE BY REGISTERED OR CERTIFIED MAIL, RETURN RECEIPT REQUESTED, TO THE APPLICABLE LOAN PARTY AT ITS ADDRESS PROVIDED IN ACCORDANCE WITH SECTION 10.02; (D) AGREES THAT SERVICE AS PROVIDED IN CLAUSE (C) ABOVE IS SUFFICIENT TO CONFER PERSONAL JURISDICTION OVER THE APPLICABLE LOAN PARTY IN ANY SUCH PROCEEDING IN ANY SUCH COURT, AND OTHERWISE CONSTITUTES EFFECTIVE AND BINDING SERVICE IN EVERY RESPECT; AND (E) AGREES THAT THE AGENTS AND LENDERS RETAIN THE RIGHT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO BRING PROCEEDINGS AGAINST ANY LOAN PARTY IN THE COURTS OF ANY OTHER JURISDICTION IN CONNECTION WITH THE EXERCISE OF ANY RIGHTS UNDER ANY LOAN DOCUMENT OR AGAINST ANY COLLATERAL OR THE ENFORCEMENT OF ANY JUDGMENT, AND HEREBY SUBMITS TO THE JURISDICTION OF, AND CONSENTS TO VENUE IN, ANY SUCH COURT.

10.15 Waiver of Jury Trial. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING HEREUNDER OR UNDER ANY OF THE OTHER LOAN DOCUMENTS OR ANY DEALINGS BETWEEN THEM RELATING TO THE SUBJECT MATTER OF THIS LOAN TRANSACTION OR THE LENDER/BORROWER RELATIONSHIP THAT IS BEING ESTABLISHED. THE SCOPE OF THIS WAIVER IS INTENDED TO BE ALL ENCOMPASSING OF ANY AND ALL DISPUTES THAT MAY BE FILED IN ANY COURT AND THAT RELATE TO THE SUBJECT MATTER OF THIS TRANSACTION, INCLUDING CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS AND ALL OTHER COMMON LAW AND STATUTORY CLAIMS. EACH PARTY HERETO ACKNOWLEDGES THAT THIS WAIVER IS A MATERIAL INDUCEMENT TO ENTER INTO A BUSINESS RELATIONSHIP, THAT EACH HAS ALREADY RELIED ON THIS WAIVER IN ENTERING INTO THIS AGREEMENT, AND THAT EACH WILL CONTINUE TO RELY ON THIS WAIVER IN ITS RELATED FUTURE DEALINGS. EACH PARTY HERETO FURTHER WARRANTS AND REPRESENTS THAT IT HAS REVIEWED THIS WAIVER WITH ITS LEGAL COUNSEL AND THAT IT KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL. THIS WAIVER IS IRREVOCABLE, MEANING THAT IT MAY NOT BE MODIFIED EITHER ORALLY OR IN WRITING (OTHER THAN BY A MUTUAL WRITTEN WAIVER SPECIFICALLY REFERRING TO THIS SECTION 10.15 AND EXECUTED BY EACH OF THE PARTIES HERETO), AND THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS HERETO OR ANY OF THE OTHER LOAN DOCUMENTS OR TO ANY OTHER

DOCUMENTS OR AGREEMENTS RELATING TO THE LOANS MADE HEREUNDER. IN THE EVENT OF LITIGATION, THIS AGREEMENT MAY BE FILED AS A WRITTEN CONSENT TO A TRIAL BY THE COURT.

10.16 USA PATRIOT Act Notice. Each Lender that is subject to the Act (as hereinafter defined) and each Agent (for itself and not on behalf of any Lender) hereby notifies each Loan Party that pursuant to the requirements of the PATRIOT Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender or such Agent, as applicable, to identify such Loan Party in accordance with the PATRIOT Act.

10.17 Time of the Essence. Time is of the essence of the Loan Documents.

10.18 [Reserved].

10.19 No Advisory or Fiduciary Responsibility. Each Loan Party agrees that nothing in the Loan Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Agent or Lender, on the one hand, and such Loan Party, its stockholders or its affiliates, on the other. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), the Borrower acknowledges and agrees, and acknowledges its Affiliates' understanding, that: (i) (A) the arranging and other services regarding this Agreement provided by the Agents and the transactions contemplated by the Loan Documents (including the exercise of rights and remedies hereunder and thereunder) are arm's-length commercial transactions between the Borrower and their Affiliates, on the one hand, and the Agents, on the other hand, (B) the Borrower has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) the Borrower is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) each Agent, and each Lender is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for any Loan Party, its management, stockholders, creditors or any of its affiliates or any other Person with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender has advised, is currently advising or will advise any Loan Party, its stockholders or its Affiliates on other matters) or any other obligation to any Loan Party except the obligations expressly set forth in the Loan Documents and (B) neither any of the Agents nor any Lender has any obligation to the Borrower or any of its respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Agents and the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that conflict with those of the Borrower and its respective Affiliates, and neither any of the Agents nor any Lender has any obligation to disclose any of such interests to the Borrower or its respective Affiliates. Each Loan Party agrees that it will not claim that any Lender has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to such Loan Party, in connection with such transaction or the process leading thereto. To the fullest extent permitted by law, the Borrower hereby waives and releases any claims that it may have against the Agents with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

10.20 [Reserved]

10.21 Release of Liens and Release from Guaranty.

(a) Notwithstanding anything to the contrary contained herein or in any other Loan Document, but subject to the Orders, the Collateral Agent is hereby irrevocably authorized by each Lender to release any Lien on any property granted to or held by the Collateral Agent under any Loan Document or otherwise encumbering any item of Collateral (and to execute any documents or instruments necessary, advisable or otherwise required or reasonably requested by any Loan Party to do so) (A) after Payment in Full, (B) (i) upon any sale or other transfer by any Loan Party of any Collateral that is permitted under this Agreement (other than a sale or other transfer to a Loan Party or any other Person that is required to become a Loan Party) or (ii) upon effectiveness of any written consent to the release of the security interest created under any Security Document in any Collateral pursuant to Section 10.01, (C) upon the approval, authorization or ratification in writing by the Required Lenders (or such other percentage of the Lenders whose consent is required by Section 10.01) with respect to the release of such Collateral, (D) upon a

Guarantor no longer being a Guarantor by virtue of the definition thereof or a transaction permitted hereunder, with respect to the Collateral owned by such Guarantor or (E) if an asset becomes an Excluded Asset. After any of (v) Payment in Full, (w) upon any sale or other transfer of a Loan Party that is permitted under this Agreement (other than a sale or other transfer to a Loan Party or any other Person that is required to become a Loan Party), (x) upon the approval, authorization or ratification in writing by the Required Lenders (or such other percentage of the Lenders whose consent is required by Section 10.01) with respect to the release of any Guarantor under the terms of the Guaranty or (y) upon a Guarantor no longer being a Guarantor by virtue of the definition thereof or a transaction permitted hereunder, each applicable Guarantor (or, in the case of clause (w) above, the applicable Guarantor so sold or transferred) shall automatically be released from the Guaranty, all without delivery of any instrument or performance of any act by any Person; provided that any such release of guarantee obligations shall be deemed subject to the provision that such guarantee obligations shall be reinstated if after such release any portion of any payment in respect of the Obligations guaranteed thereby shall be rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payment had not been made.

(b) Notwithstanding anything to the contrary contained herein or in any other Loan Document, subject to the Orders, in connection with any termination or release pursuant to this Section 10.21, the Administrative Agent and/or the Collateral Agent, as applicable, shall be, and are hereby irrevocably authorized by each Lender (without requirement of notice to or consent of any Lender) to execute and deliver, and shall promptly execute and deliver to the applicable Loan Party, at such Loan Party's expense, all documents that such Loan Party shall reasonably request to evidence such termination or release (including (1) UCC termination statements and (2) in the case of a release of Mortgages, a partial release) or to confirm that an asset of a Loan Party is not Collateral (including returning to the Borrower any possessory Collateral that is in the possession of the Collateral Agent and is the subject of such release); provided, that (1) neither Agent shall be required to execute any document or take any action necessary to evidence such termination or release on terms that, in its opinion or the opinion of its counsel, could expose such Agent to liability or create any obligation or entail any consequence other than such termination or release without recourse, representation, or warranty, and (2) the Loan Parties shall have provided such Agent with such certifications or documents as such Agent shall reasonably request in order to demonstrate that the requested termination or release is permitted under this Section 10.21.

(c) Any execution and delivery of documents, or the taking of any other action, by any Agent pursuant to this Section 10.21 shall be without recourse to or representation or warranty by such Agent.

10.22 Independence of Covenants. All covenants hereunder shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or would otherwise be within the limitations of, another covenant shall not avoid the occurrence of a Default or an Event of Default if such action is taken or condition exists.

10.23 Independent Nature of Lenders' Rights. Nothing contained herein or in any other Loan Document, and no action taken by Lenders pursuant hereto or thereto, shall be deemed to constitute Lenders as a partnership, an association, a joint venture or any other kind of entity. The amounts payable at any time hereunder to each Lender shall be a separate and independent debt, and each Lender shall be entitled to protect and enforce its rights arising out hereof and it shall not be necessary for any other Lender to be joined as an additional party in any proceeding for such purpose.

10.24 Acknowledgment and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

- (b) the effects of any Bail-in Action on any such liability, including, if applicable:
 - (i) a reduction in full or in part or cancellation of any such liability;
 - (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or
 - (iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

10.25 Designated Coal Contracts.

(a) Notwithstanding anything to the contrary in this Agreement, the Loan Parties shall be entitled to designate any Coal Contract entered into in accordance with this Agreement and the Orders as a “Designated Coal Contract” hereunder, so long as, with respect to any Coal Contract (other than (A) the Existing Designated Coal Contracts entered into on or around the Javelin Agreements Execution Date and (B) with respect to the Existing Designated Coal Contract described in clause (ii) of such definition, all confirmations, agreements and other documents entered into in connection therewith), (i) Borrower shall designate such Coal Contract as a “Designated Coal Contract” by a written notice to the Administrative Agent delivered on or prior to the fifth (5th) Business Day prior to the date that such Coal Contract is entered into, or the date that the Person that is a party to such Coal Contract becomes a Secured Party, and (ii) the Required Lenders shall have expressly approved such Coal Contract as a “Designated Coal Contract” hereunder. For the avoidance of doubt, (x) no Coal Contract (other than, upon the entry of the Final Order, the Existing Designated Coal Contracts) shall be deemed to be a Designated Coal Contract hereunder without the express consent of the Required Lenders, and (y) upon the entry of the Final Order, the Existing Designated Coal Contracts shall be deemed to be Designated Coal Contracts for all purposes hereunder.

(b) After the Javelin Agreements Execution Date, Javelin Agreements (other than with respect to the amendments, supplements or modifications of the Existing Designated Coal Contract described in clause (2) of such definition which constitute entry into a confirmation (but not amendments, restatements, renewals, replacements, extensions, supplements or modifications of an existing confirmation)) shall only be amended, restated, renewed, replaced, extended, supplemented or otherwise modified from time to time with the prior written consent of the Required Lenders; provided, that, the Confirmations (as defined in the Javelin Agreements) pursuant to the Javelin Agreements may be amended, restated or modified from time to time, without the prior consent of the Required Lenders, in the ordinary course of business and consistent with past practice, including, without limitation, modifications relating to scheduling, price adjustments, quality, quantity, delivery, delivery scheduling and other matters ancillary to delivery of Shipments (as defined in the Javelin Agreements); provided, that any such amendment, restatement or modification shall only apply with respect to such amended, restated or modified Shipment and shall not affect the terms of the Javelin Agreements as applied to any subsequent Shipment (as defined in the Javelin Agreements) or Confirmation (as defined in the Javelin Agreements).

(c) Any purchases and sales, payment of any fees, expenses and indemnities and all other disbursements to be made by the Debtors pursuant to any amendment, restatement or modification permitted by Section 10.25(a) or Section 10.25(b) shall be made in accordance with the Cash Flow Forecast (subject to Permitted Variance); provided, that, a breach of this Section 10.25(c) shall not (i) invalidate the effectiveness of any agreement, amendment, restatement or modification under Section 10.25(a) or (b) above or (ii) exclude the obligations arising thereunder from constituting Secured Designated Coal Contract Obligations.

ARTICLE XI GUARANTY

11.01 Guaranty of the Obligations. Guarantors jointly and severally hereby irrevocably and unconditionally guaranty to the Administrative Agent, for the ratable benefit of the Beneficiaries, the due and punctual payment in full of all Obligations when the same shall become due, whether at stated maturity, by required

prepayment, declaration, acceleration, demand or otherwise (including amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 U.S.C. § 362(a)) (collectively, the “Guaranteed Obligations”).

11.02 [Reserved].

11.03 Payment by Guarantors. Subject to Section 11.01, Guarantors hereby jointly and severally agree, in furtherance of the foregoing and not in limitation of any other right which any Beneficiary may have at law or in equity against any Guarantor by virtue hereof, that upon the failure of Borrower to pay any of the Guaranteed Obligations when and as the same shall become due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise (including amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 U.S.C. § 362(a)), Guarantors will upon demand pay, or cause to be paid, in cash, to the Administrative Agent for the ratable benefit of Beneficiaries, an amount equal to the sum of the unpaid principal amount of all Guaranteed Obligations then due as aforesaid, accrued and unpaid interest on such Guaranteed Obligations (including interest which, but for Borrower’s becoming the subject of a case under the Bankruptcy Code, would have accrued on such Guaranteed Obligations, whether or not a claim is allowed against Borrower for such interest in the related bankruptcy case) and all other Guaranteed Obligations then owed to Beneficiaries as aforesaid.

11.04 Liability of Guarantors Absolute. Each Guarantor agrees that its obligations hereunder are irrevocable, absolute, independent and unconditional and shall not be affected by any circumstance which constitutes a legal or equitable discharge of a guarantor or surety other than payment in full of the Guaranteed Obligations. In furtherance of the foregoing and without limiting the generality thereof, each Guarantor agrees as follows:

(a) this Guaranty is a guaranty of payment when due and not of collectability. This Guaranty is a primary obligation of each Guarantor and not merely a contract of surety;

(b) Administrative Agent may enforce this Guaranty upon the occurrence, but only during the continuance, of an Event of Default notwithstanding the existence of any dispute between Borrower and any Beneficiary with respect to the existence of such Event of Default;

(c) the obligations of each Guarantor hereunder are independent of the obligations of Borrower and the obligations of any other guarantor (including any other Guarantor) of the obligations of Borrower, and a separate action or actions may be brought and prosecuted against such Guarantor whether or not any action is brought against Borrower or any of such other guarantors and whether or not Borrower is joined in any such action or actions;

(d) payment by any Guarantor of a portion, but not all, of the Guaranteed Obligations shall in no way limit, affect, modify or abridge any Guarantor’s liability for any portion of the Guaranteed Obligations which has not been paid. Without limiting the generality of the foregoing, if Administrative Agent is awarded a judgment in any suit brought to enforce any Guarantor’s covenant to pay a portion of the Guaranteed Obligations, such judgment shall not be deemed to release such Guarantor from its covenant to pay the portion of the Guaranteed Obligations that is not the subject of such suit, and such judgment shall not, except to the extent satisfied by such Guarantor, limit, affect, modify or abridge any other Guarantor’s liability hereunder in respect of the Guaranteed Obligations;

(e) any Beneficiary, upon such terms as it deems appropriate, without notice or demand and without affecting the validity or enforceability hereof or giving rise to any reduction, limitation, impairment, discharge or termination of any Guarantor’s liability hereunder, from time to time may (i) renew, extend, accelerate, increase the rate of interest on, or otherwise change the time, place, manner or terms of payment of the Guaranteed Obligations; (ii) settle, compromise, release or discharge, or accept or refuse any offer of performance with respect to, or substitutions for, the Guaranteed Obligations or any agreement relating thereto and/or subordinate the payment of the same to the payment of any other obligations; (iii) request and accept other guaranties of the Guaranteed Obligations and take and hold security for the payment hereof or the Guaranteed Obligations; (iv) release, surrender, exchange, substitute, compromise, settle, rescind, waive, alter, subordinate or modify, with or without consideration, any security for payment of the Guaranteed Obligations, any other guaranties of the Guaranteed Obligations, or any other obligation of any Person (including any other Guarantor) with respect to the Guaranteed Obligations; (v) enforce and apply any security now or hereafter held by or for the benefit of such Beneficiary in respect hereof or the Guaranteed Obligations

and direct the order or manner of sale thereof, or exercise any other right or remedy that such Beneficiary may have against any such security, in each case as such Beneficiary in its discretion may determine consistent herewith or any applicable security agreement, including foreclosure on any such security pursuant to one or more judicial or nonjudicial sales, whether or not every aspect of any such sale is commercially reasonable, and even though such action operates to impair or extinguish any right of reimbursement or subrogation or other right or remedy of any Guarantor against any other Loan Party or any security for the Guaranteed Obligations; and (vi) exercise any other rights available to it under the Loan Documents or any Designated Coal Contract; and

(f) this Guaranty and the obligations of Guarantors hereunder shall be valid and enforceable and shall not be subject to any reduction, limitation, impairment, discharge or termination for any reason (other than payment in full of the Guaranteed Obligations (other than contingent indemnity obligations not then due and payable), including the occurrence of any of the following, whether or not any Guarantor shall have had notice or knowledge of any of them: (i) any failure or omission to assert or enforce or agreement or election not to assert or enforce, or the stay or enjoining, by order of court, by operation of law or otherwise, of the exercise or enforcement of, any claim or demand or any right, power or remedy (whether arising under the Loan Documents or any Designated Coal Contracts, at law, in equity or otherwise) with respect to the Guaranteed Obligations or any agreement relating thereto, or with respect to any other guaranty of or security for the payment of the Guaranteed Obligations; (ii) any rescission, waiver, amendment or modification of, or any consent to departure from, any of the terms or provisions (including provisions relating to events of default) hereof, any of the other Loan Documents or any Designated Coal Contracts, any agreement or instrument executed pursuant thereto, or of any other guaranty or security for the Guaranteed Obligations, in each case whether or not in accordance with the terms hereof or such Loan Document, such Designated Coal Contracts, or any agreement relating to such other guaranty or security; (iii) the Guaranteed Obligations, or any agreement relating thereto, at any time being found to be illegal, invalid or unenforceable in any respect; (iv) the application of payments received from any source (other than payments received pursuant to the other Loan Documents, any Designated Coal Contract, or from the proceeds of any security for the Guaranteed Obligations, except to the extent such security also serves as collateral for indebtedness other than the Guaranteed Obligations) to the payment of indebtedness other than the Guaranteed Obligations, even though any Beneficiary might have elected to apply such payment to any part or all of the Guaranteed Obligations; (v) any Beneficiary's consent to the change, reorganization or termination of the corporate structure or existence of General Partner, Holdings (or any Parent) or any of its Subsidiaries and to any corresponding restructuring of the Guaranteed Obligations; (vi) any failure to perfect or continue perfection of a security interest in any collateral which secures any of the Guaranteed Obligations (subject to the limitations set forth in the Security Documents); (vii) any defenses, set-offs or counterclaims which Borrower may allege or assert against any Beneficiary in respect of the Guaranteed Obligations, including failure of consideration, breach of warranty, payment, statute of frauds, statute of limitations, accord and satisfaction and usury; and (viii) any other act or thing or omission, or delay to do any other act or thing, which may or might in any manner or to any extent vary the risk of any Guarantor as an obligor in respect of the Guaranteed Obligations.

11.05 Waivers by Guarantors. Each Guarantor hereby waives, to the extent permitted by applicable law, for the benefit of Beneficiaries: (a) any right to require any Beneficiary, as a condition of payment or performance by such Guarantor, to (i) proceed against Borrower, any other guarantor (including any other Guarantor) of the Guaranteed Obligations or any other Person, (ii) proceed against or exhaust any security held from Borrower, any such other guarantor or any other Person, (iii) proceed against or have resort to any balance of any deposit account or credit on the books of any Beneficiary in favor of any Loan Party or any other Person, or (iv) pursue any other remedy in the power of any Beneficiary whatsoever; (b) any defense arising by reason of the incapacity, lack of authority or any disability or other defense of Borrower or any other Guarantor including any defense based on or arising out of the lack of validity or the unenforceability of the Guaranteed Obligations or any agreement or instrument relating thereto or by reason of the cessation of the liability of Borrower or any other Guarantor from any cause other than payment in full of the Guaranteed Obligations; (c) any defense based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in other respects more burdensome than that of the principal; (d) any defense based upon any Beneficiary's errors or omissions in the administration of the Guaranteed Obligations, except behavior which amounts to bad faith; (e) (i) any principles or provisions of law, statutory or otherwise, which are or might be in conflict with the terms hereof and any legal or equitable discharge of such Guarantor's obligations hereunder, (ii) the benefit of any statute of limitations affecting such Guarantor's liability hereunder or the enforcement hereof, (iii) any rights to set-offs, recoupments and counterclaims, and (iv) promptness, diligence and any requirement that any Beneficiary protect, secure, perfect or insure any security interest or lien or any property subject thereto; (f) notices, demands, presentments, protests, notices of protest, notices of dishonor and

notices of any action or inaction, including acceptance hereof, notices of default hereunder, any Designated Coal Contracts, any agreement or instrument related thereto, notices under any agreement or instrument related thereto, notices of any renewal, extension or modification of the Guaranteed Obligations or any agreement related thereto, notices of any extension of credit to Borrower and notices of any of the matters referred to in Section 11.04 and any right to consent to any thereof; and (g) any defenses or benefits that may be derived from or afforded by law which limit the liability of or exonerate guarantors or sureties, or which may conflict with the terms hereof.

11.06 Guarantors' Rights of Subrogation, Contribution, Etc. Until the Payment in Full of the Guaranteed Obligations (other than contingent obligations under general indemnification provisions as to which no claim is pending), each Guarantor hereby waives, to the extent permitted by law, any claim, right or remedy, direct or indirect, that such Guarantor now has or may hereafter have against Borrower or any other Guarantor or any of its assets in connection with this Guaranty or the performance by such Guarantor of its obligations hereunder, in each case whether such claim, right or remedy arises in equity, under contract, by statute, under common law or otherwise and including (a) any right of subrogation, reimbursement or indemnification that such Guarantor now has or may hereafter have against Borrower with respect to the Guaranteed Obligations, (b) any right to enforce, or to participate in, any claim, right or remedy that any Beneficiary now has or may hereafter have against Borrower, and (c) any benefit of, and any right to participate in, any collateral or security now or hereafter held by any Beneficiary. In addition, until Payment in Full of the Guaranteed Obligations (other than contingent obligations under general indemnification provisions as to which no claim is pending), each Guarantor shall withhold exercise of any right of contribution such Guarantor may have against any other guarantor (including any other Guarantor) of the Guaranteed Obligations. Each Guarantor further agrees that, to the extent the waiver or agreement to withhold the exercise of its rights of subrogation, reimbursement, indemnification and contribution as set forth herein is found by a court of competent jurisdiction to be void or voidable for any reason, any rights of subrogation, reimbursement or indemnification such Guarantor may have against Borrower or against any collateral or security, and any rights of contribution such Guarantor may have against any such other guarantor, shall be junior and subordinate to any rights any Beneficiary may have against Borrower, to all right, title and interest any Beneficiary may have in any such collateral or security, and to any right any Beneficiary may have against such other guarantor. If any amount shall be paid to any Guarantor on account of any such subrogation, reimbursement, indemnification or contribution rights at any time when the Payment in Full of all Guaranteed Obligations (other than contingent obligations under general indemnification provisions as to which no claim is pending) shall not have occurred, such amount shall, to the extent possible under applicable law, be held in trust for Administrative Agent on behalf of Beneficiaries and shall forthwith be paid over to the Administrative Agent for the benefit of Beneficiaries to be credited and applied against the Guaranteed Obligations, whether matured or unmatured, in accordance with the terms hereof.

11.07 Subordination of Other Obligations. Any Indebtedness of Borrower or any Guarantor now or hereafter held by any Guarantor (the "Obligee Guarantor") is hereby subordinated in right of payment to the Guaranteed Obligations, and any such Indebtedness collected or received by the Obligee Guarantor after an Event of Default has occurred and is continuing shall, to the extent permitted by applicable law, be held in trust for Administrative Agent on behalf of Beneficiaries and shall forthwith be paid over to the Administrative Agent for the benefit of Beneficiaries to be credited and applied against the Guaranteed Obligations but without affecting, impairing or limiting in any manner the liability of the Obligee Guarantor under any other provision hereof.

11.08 Continuing Guaranty. This Guaranty is a continuing guaranty and shall remain in effect until the Payment in Full of all of the Guaranteed Obligations (other than contingent obligations under general indemnification provisions as to which no claim is pending). Each Guarantor hereby irrevocably waives, to the extent permitted by applicable law, any right to revoke this Guaranty as to future transactions giving rise to any Guaranteed Obligations.

11.09 Authority of Guarantors or Borrower. It is not necessary for any Beneficiary to inquire into the capacity or powers of any Guarantor or Borrower or the officers, directors or any agents acting or purporting to act on behalf of any of them.

11.10 Financial Condition of Borrower. Any Credit Extension may be made to Borrower or continued from time to time, and any Designated Coal Contract may be entered into from time to time, in each case in accordance with this Agreement, without notice to or authorization from any Guarantor regardless of the financial or other condition of Borrower at the time of any such grant or continuation or at the time such Designated Coal Contract is entered into, as the case may be. No Beneficiary shall have any obligation to disclose or discuss with any Guarantor

its assessment, or any Guarantor's assessment, of the financial condition of Borrower. Each Guarantor has adequate means to obtain information from Borrower on a continuing basis concerning the financial condition of Borrower and its ability to perform its obligations under the Loan Documents and the Designated Coal Contracts, and each Guarantor assumes the responsibility for being and keeping informed of the financial condition of Borrower and of all circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations. Each Guarantor hereby waives, to the extent permitted by applicable law, and relinquishes any duty on the part of any Beneficiary to disclose any matter, fact or thing relating to the business, operations or conditions of Borrower now known or hereafter known by any Beneficiary.
